

INSTITUTE

Sant Longowal Institute of Engineering & Technology (SLIET) is a Deemed-University under the Ministry of Human Resource Development (MHRD), Government of India. This Institute has come up beautifully in a sprawling green area of 451 acres, with many topographically featured picturesque landscape and presents spectacle of harmony and natural beauty, embedded with all the amenities required for a complete township. It offers unique modular, multi entry multi exit pattern of education in various branches of Engineering & Technology, to prepare the skilled and qualified manpower for self employment. The study programmes include various courses at Integrated Certificate and Diploma, Degree, M.Tech & Ph.D levels in 11 departments of Engineering, Science and Technology. It caters to the technical manpower requirements at various levels in Industries/Institutions by imparting technical education with emphasis on industrial training and entrepreneurship development.

LOCATION & WEATHER

The Institute is located at Longowal village and is connected by road with Sangrur (18 km), Barnala (30 km), Patiala (80 km), Ludhiana (110 km) and Chandigarh (150 km). The nearest railway stations are Sangrur (18 km), Sunam (18 km), Barnala (30 km) and Dhuri (35 km). The nearest airport is at Chandigarh. The month of February is winter season and temperature ranges from 8°C to 18°C.

DEPTT. OF ELECTRONICS & COMMUNICATION ENGG.

The Electronics & Communication Engineering Department offers Integrated Certificate and

Diploma (ICD), Degree course (B.Tech), M.Tech Programme and PhD Programme in the discipline of Electronics & Communication Engineering. The Department has highly qualified faculty and they are actively involved in quality teaching and research. A number of research projects sponsored by different external agencies are also being undertaken vigorously.

6TH NATIONAL CONFERENCE ON COMMUNICATIONS & NETWORKING (NCCN-16)

(February 05-06, 2016)

ORGANIZED BY:

DEPARTMENT OF ELECTRONICS &
COMMUNICATION ENGINEERING

SANT LONGOWAL INSTITUTE OF
ENGINEERING & TECHNOLOGY
(Deemed-University)

LONGOWAL-148106
DISTT. SANGRUR (PUNJAB), INDIA

<http://www.sliet.ac.in>

CALL FOR PAPERS

NCCN is the premier event for electronic communications and networking researchers, industry professionals, and academicians interested in latest development and design of communication systems and networks. The conference invites original technical research papers in all areas of electronic communications, networks, services, and applications. Potential topics are solicited in, but are not limited to, the following categories:

- Communications Theory
- Signal Processing in Communications
- Optical Communications and Networks
- Satellite and Space Communications
- Data Communications and Networks
- Wireless Communications
- Mobility Management
- Mobile Computing
- VLSI and Embedded Systems
- Wireless Sensors
- Internet and Wireless Security
- Soft Computing
- Interdisciplinary and allied areas

IMPORTANT DATES

Full-paper submission (deadline):

Monday, January 11, 2016

Acceptance notification:

Friday, January 15, 2016

Registration deadline:

Monday, January 25, 2016

REGISTRATION FEE
