

Dear Alumni

*“To look backward for a while into refresh the eyes, to restore it
And to render it the more fit for its prime function of looking forward”*

Thanks for the registration and appreciate your interest in the alumni meet. It would give us immense pleasure to have continued ties with you. Hope you are faring well in your respective job and earning laurels for yourself as well as your family and SLIET i.e. alma matter. We are extending most affectionate invitation to attend the meet with your family and make it as a grand success with your support and active participation.

The alumni association will leverage your presence to firm up further plans for association and both academic and other activities of the association. It will be time to renew your relationships, honor achievements and forge together new opportunities. The institute has gone through many years, so you will get a chance to notice the changes in SLIET time has brought.

There will be a special felicitation ceremony for 1996 -2000 pass out batches to mark the special occasion of having completed fifteen years since they left the institute and over the years held the SLIET flag high across the world. The precious moments of the reunion shall be made more memorable with fun games, a guided campus tour and an open forum for sharing of thoughts to strengthen the Alumni-Institute interaction.
