

## Introduction

Consequent upon the decision, taken by Govt. of India in 1985, to tender a valuable, yet humble tribute to the everlasting memory of the revered saint, Sant Longowal Institute of Engg & Technology took its shape. The Institute was established by Ministry of Human Resource and Development (MHRD), Govt of India in the year 1989 and was formally inaugurated on 20th Dec 1991.

## Vision

Other than the skills competition is a battle ground for skill full upcoming engineers the aim of this very event is to inspire the skills of welding and other manufacturing process.

Keeping a pace with the latest version of technical advancement and new dimensions of technology, a separate part of Metamorphosis 16 is designed for "Seminar and Workshop" whole organisation is truly dedicated to bring the wizards of technical expertise for providing the highest quality of learning by dint of their inouts. Beside the technical side , the glory of this event is going to be extended upto a new apex when we look upon the "cultural-night" event. Its a set of live performance of dance drama and action. The "flash-mob" is going to be enthralling part of this mega fest.
