All the guests enjoyed and appreciated the event as one of the best hostel nights of the year.

Two days training held for Security Wing

- Two days training on “Fire safety and Prevention” was conducted for the Security personnel at SLIET, Longowal by Peregrine Guarding Pvt. Ltd., Panchkula, Haryana.

FACULTY AND STAFF ACHIEVEMENTS & INITIATIVES

- **Prof. Shankar Singh of Mechanical Engineering department** has been selected to teach AT73.17 (Advanced Material Science for Design & Manufacturing) at Asian Institute of Technology (AIT), Bangkok, Thailand, for a period of 16 weeks commencing from August 2018 semester.

The recommendations of the Search Committee for the panel of names for secondment to AIT, Bangkok, has been conveyed vide Office Order F.No. 19-1/2018-TS.VII, Dt. 16-07-2018, issued by the Under Secretary to the Govt. of India.

- Research paper “**An Improvisation of CCS-MLI Topology in Terms of Maximization of Levels**” by Rekha Agarwal & Shailendra Jain, published in IETE Journal of Research Sep-Oct 2017, is selected under the best system oriented paper for the **IETE-K S KRISHNAN MEMORIAL AWARD-2018** to be conferred during Awards Ceremony, of **61st Annual IETE Convention, 30th Sept., 2018.**
- **1st Edition of Book Titled “Modelling and Control of Power Electronics Converter System for Power Quality Improvement”** co-authored by Prof. Shailendra Jain, Director, Sant Longowal Institute of Engineering & Technology, Longowal, published. by ACADEMIC PRESS, Elsevier, on 29th August, 2018 with ISBN no.9780 128145685.
- **Dr. P. S. Panesar (Prof. & HOD, FET)** Sant Longowal Institute of Engineering & Technology, Longowal - Nominated as a member of the National Level Scientific Panel by the Food Safety and Standards Authority of India (FSSAI).
- **Dr. M.B. Bera (Prof., FET)**- Chaired a session in the International Conference on Agricultural and Biological Science (ICABS) 2018 at Melbourne, Australia on 6-7 August, 2018.

- **Dr. Sanjeev Kumar Garg, Associate Prof. (Management and Humanities)** took initiative and became first faculty member to undertake Advanced NPTEL online 8 week course on 'Consumer Psychology' which has been approved for Faculty Development Programme by AICTE as per the official Gazette of India dt 16.08.2018.
- **Dr. Kamlesh Prasad (Prof., FET)**- Attended and presented the research paper in International Conference in London (18-19 August, 2018)
- **Dr. Charanjiv Singh Saini (Associate. Prof., FET)**- Attended and presented the research paper in International Conference in London (18-19 August, 2018)
- **Dr. P. Kumar (Prof., FET)**- Chairman, Technical session, 435th International Conference on Engineering and Natural Science (ICENS), 1-2 August, 2018 at Kuala Lumpur, Malaysia.
- **Dr. P. Kumar (Prof., FET)**- Delivered Invited talk and Chaired on "Instrumental and Physical Characterization of Ellagitannin in from Pomegranate peel" in 435th International Conference on Engineering and Natural Science (ICENS), 1-2 August, 2018 at Kuala Lumpur Malaysia.
- **Dr. P. Kumar (Prof., FET)**-Delivered a invited talk on 25.09.2018 in **Faculty Development Programme (FDP) on "Recent Developments in Food Processing and Packaging" September 24 - 29, 2018 organized** jointly by Department of Food Technology and Department of Plastic Technology, School of Chemical Technology, H.B.T.U., Kanpur.
- A paper titled 'Effect of parboiling and puffing processes on the physicochemical, functional, optical, pasting, thermal, textural and structural properties of selected Indica rice' by Dr. Kamlesh Prasad (Prof. FET) got published in Journal of Food Measurement and Characterization, 12(3):1707-17221. (IF:1.329)
- A paper titled 'Nutraceuticals from barley flour, flaxseed and rice bran oil- Extraction, chromatographic analysis, microbiological analysis and pesticide estimation' by titled Jasmeet Kaur, Prof. **Sukhcharn Singh**, Prof. **D.C. Saxena**(FET) got published in Journal of Food Processing and Preservation, DOI: 10.1111/jfpp.13777, Impact factor:1.51, ISI Journal Citation Reports @ Ranking: 2017:77/133 (Food Science & Technology).
- A paper titled 'Effect of pH and holding time on the characteristics of protein isolates from Chenopodium seeds and study of their amino acid profile and scoring' by Nisar A. Mira, Dr. **Charanjit S. Riar**, Dr. **Sukhcharn Singh**(FET) got published in Food Chemistry, 272 (2019) 165–173. IF 4.939.
- Dr. Indraj Singh, ASP (Mechanical Engg.) and Md. Majid, AP (ME) presented their papers in the International Conference on Mechanical Engineering (ICME-2018) organized by IAENG WCE 2018 at London during 04-06 July, 2018.
- Dr. J.S. Gill, ASP (ME) presented his papers in the International Conference on Metallurgy Technology and Materials (ICMTM-2018) organized by ISER at London during 18-19 August, 2018.
- Dr. Pratibha Tyagi ASP (EIE) presented a paper Titled "Correct Posture of Human Beings for Pain Reduction using EMG Signals" in International Conference SMBH- 2018 organized by IRED at Kuala Lumpur, Malaysia, during 18-19 August, 2018.
- Dr. Manoj Sachan, ASP (CSE) and Dr. Major Singh Goraya, ASP (CSE) from Department of Computer Science and Engineering participated and presented their research papers in International Conference ACEC-2018, at Kuala Lumpur, Malaysia on 18-19 August, 2018.
- Ph.D. scholars Mr. Sumit Saini and Mr. Anmol Singh Verma participated and presented paper in International Conference on "Advances in Material and Manufacturing Applications" at Amrita Vishwa Vidyapeetham, Bangluru during 16-18 August, 2018.
- Dr. Arvind Jayant, ASP (ME) participated and presented paper in Diamond Jubilee National Convention of IIE & International Conference on "Role of Industrial Engineering in Industry 4.0 Paradigm", at Siksha 'O' Anusandhan, Bhubaneswar during 27-30 September, 2018.
- Dr. Surinder Singh (ECE) attended the 99th International Conference on Nanoscience, Nanotechnology and Advanced Materials (IC2NM), Brisbane, Australia, 8th to 9th July 2018 and presented paper.
- Sh. Anil Kumar Singla, Sh. Rakesh Kumar along with other faculty members of the department attended one week STTP (under TEQIP-III) on "Mathematical Modelling and Statistical techniques (MMST-2018)" during 30 July, 2018 to 03 August, 2018.
- Dr. R.K. Yadav, Sh. Rakesh Kumar and few more faculty members & research scholars of Mechanical Engineering department attended one week STTP (under TEQIP-III) on "Waste Management Practices for Environmental Sustainability" during 10-14 September, 2018.
- Sh. Madan Mohan Kumar, LA (Mechanical Engg.) attended 02 weeks STTP on "Mechanical Testing of Materials" organized at National Institute of Technical Teachers' Training and Research, Kolkata during 02-13 July, 2018.

DEPARTMENTAL ACTIVITIES

Department of Computer Science and Engineering

The Department of Computer Science and Engineering has signed a MoU with Threat landscape Cyber Solutions Private Limited, Bangalore. This MoU will play a bigger role to reduce the industry institute gap and will provide the opportunities to the students and faculty to work on live project in Cyber Security field.

Department of Mathematics

Department of Mathematics Organized a Short Term Training Programme under TEQIP - III on MATHEMATICAL MODELING AND STATISTICAL TECHNIQUES from 30.07.2018 to 03.08.2018. Number of participants was 48— 12 from outside the institute and 36 from SLIET, Longowal. Eminent resource persons from various reputed institute from India delivered lectures on various aspect of Mathematical modelling and Statistical Techniques.

The aim of this SUP was to generate interest about the importance of MATHEMATICAL MODELLING AND STATISTICAL TECHNIQUES in research activities among the research scholars and young faculty members. It was also organized to impart the knowledge of MATHEMATICAL MODELLING AND STATISTICAL TECHNIQUES to them. Programme was also used to teach various mathematical software like MATLAB and Mathematica to the participants. Solving of real life problems using simulation techniques was also discussed in the programme.

Department of Chemical Engineering STTP on 'Waste Management Practices for Environmental Sustainability (WMPES-2018)' Organised

One week Short Term Training Program on 'Waste Management Practices for Environmental Sustainability' (WMPES-2018) has been organized by Department of Chemical Engineering, SLIET during Sept. 10-14, 2018 under TEQIP III. The training program was being organized with the objectives to develop amongst the participants the insight of management practices for wastes generated in one form or other. The challenges being faced worldwide with respect to e-waste, plastic waste, hazardous waste etc. were discussed during the program by various experts from academic institutions and industries. Name of coordinators: Er. Gulshan K. Jawa, As P (Chem. Engg.) & Dr. Avinash Thakur, As P (Chem. Engg.). 52 no. of participants from various institutions and industries have attended the program.

Department of Electronics and Communication Engineering

Short Term Training Program RTECE-18 Organized

Electronics and Communication Engineering Department of SLIET Longowal has organized a program under TEQIP-III as a one week short term training program on “Recent Trends in Electronics and Communication Engineering” during

24th August to 28th August, 2018. Event was coordinated by Prof. AP Singh and co-coordinated by Er. Pankaj Kumar Das under the guidance of Prof. Anupma Marwaha, HOD and chairman RTECE-2018. The STTP was attended by 42 participants including

Faculty members, PG students and Research scholars from various institutes and organizations. Prof. Lalit Kumar Awasthi, Director NIT Jalandhar, was the chief guest of the inaugural function. He also delivered key note address for the STTP. The event was successfully organized with lot of appreciation in local newspapers and electronic media. The Valedictory ceremony on 28th August was graced by Prof. Shailendra Kumar Jain, Director SLIET as chief guest and Prof. Ajat Shatru Arora, Dean (Academics) SLIET as guest of honour of the event.

Dr. Qunag Minh Ngo, Professor and Head of the Laboratory of Materials science in Vietnam Academy of Sciences and Technology (VAST), Vietnam has visited the Department of Electronics and Communication Engineering under ASEAN-India Collaborative R&D project of Dr. Surinder Singh, PI (India Side) from 17-07-2018 to 30-07-2018. An expert talk of Dr. Minh has been organized by Dr. Surinder Singh in Department of Electronics and Communication Engineering. During expert talk, Dr. Minh shared his knowledge about nanophotonics, nanomaterial and their applications in quantum communications. Dr. Minh encouraged for more collaboration projects between VAST, Vietnam and SLIET Longowal in the field of green communication, quantum communication and advance optoelectronics devices.

Industrial Trip Organized by the Department of ECE

Two Days industrial visit of AL TTC (Advanced Level Telecom Training Centre) Ghaziabad was conducted for UG students by Electronics and Communication department on 30th September to 1st October 2018. The visit was coordinated by Dr. J.S. Ubhi, Dr. Ajaypal Singh and two research scholars of ECE department in which 38 students of GEC/16 got good industrial exposure by visiting different labs like optical fiber lab, satellite lab, and mobile communication lab. Mr. M.K. Seth (CGM, AL TTC Gaziabad) also addressed students and technical lectures on “5G Technology” and “How to Appear for an Interview” was also organized by the training centre. With an aim to go beyond academics and correlating the theoretical fundamentals with real world application, such industrial visit provides student a practical perspective on the world of work.

Expert Talk organized

An expert talk was organized by the Department of Electronics and Communication in Mini Auditorium Computer block on “How to appear for the interview” on 03-10-2018. Er. M.K. Seth (I.T.S.), Chief General Manager (Telecom), Advance Level Telecom Training Centre (AL TTC), Ghaziabad delivered the talk. Talk was very informative and attended by students of the ECE department as well as faculty members of different departments.

The Department of Management & Humanities

National Conference on Education Transforms Lives (ETL'2018) on the Occasion of Teacher's Day Organised

The Department of Management & Humanities organized the National Conference on Education Transforms Lives (ETL'2018) on the occasion of Teacher's Day to celebrate the

contributions of teachers who have been imparting the best education to their students so that they can compete in the world market for the sustainable development. Since quality education is the right of every individual and upcoming generation, so the conference aimed at bringing together the academicians, research scholars and industrial professionals under one umbrella where they could share their views and research findings. Dr. R. B. Patel, Dean P&D, NIT Uttarakhand had delivered a keynote address on the occasion. The papers in the conference have contributed to recent development in the field of education and also about the latest policies of the government for quality education. The conference was attended by more than 70 participants from different institutions all over the country and over 40 papers were presented on the theme of the conference. The conference would not have been possible without the generous support of the TEQIP-III and other sponsors of this conference. A collection of selected articles related to the theme of the conference have been published in a book form. Editor-in-chief of the published book is Prof. Shailendra Jain, (Director, SLIET.) Dr. Parveen Kaur Khanna, Dr. Pardeep Kumar Jain and Dr. Mandeep Ghai are the editors of the published book.

Entrepreneurship Awareness Camp Organized

Entrepreneurship awareness camp was organized under EMD project, sponsored by AICTE, for which the chief coordinator Prof. M.B. Bera & Dr. Sanjeev Bansal, coordinated the activity on 26th Sept., 2018. There were two technical sessions, the morning session was chaired by Balbir Singh, National Accredited Trainer and former vice president NITCON Ltd. and the expert for evening session was Dr. Rakesh K Wats, Professor & Head, Media center, NITTTR, Chandigarh. Dr. Parveen Kaur Khanna, HOD M & H Dept. and many other faculty members of the institute were also present in the session.

Department of Mechanical Engineering

1. Career Counseling in Auto CAD & Solid Works was organized in the Mechanical Engineering Department on 29th August, 2018. Expert lectures were delivered by Mr. Simranjeet Singh Bains (Regional Manager) and Mr. Arun Choudhary (Technical Manager) Autodesk, Chandigarh. Prof. Rajesh Kumar coordinated the activity.
2. An expert lecture on "Balance Between Stress and Excellence in Life" was delivered by Dr. Navneet Arora, Professor, Department of Mechanical and Industrial Engineering, IIT Roorkee on 06th September, 2018. Prof. Kulwant Singh coordinated the activity.
3. One day workshop on "SolidWorks" was conducted on 30th September, 2018 by SLIET Mechanical Engg. Society (SMES). Mr. Satyam Dixit & Mr. Sandeep Chaudhary, of APTRON Solution Pvt. Ltd. NOIDA were the resource persons. Apart from 136 students of the department, Sh. Ajay Kumar Gupta (Sr. Technician) and Sh. Madan Mohan Kumar (Lab Attendant) also attended the workshop. Sh. S.C. Verma & Md. Majid coordinated the activity.

STUDENTS ACHIEVEMENTS

- SLIET Team **JUGGERNAUTS** has secured **6th rank** among 130+ teams, in Virtual Round of 3rd Indian Karting Championship (IKC). Top scorer on presentation skills.
- The event Fun with Ganesha (fun games) organised by Happy club in collaboration with SLIET Ganesh Mandal on 20 sept 2018.
- The SLIET-IEI Diploma Chapter
The SLIET-IEI Kolkata, Diploma Chapter is registered students' chapter with registration no- I48106/SLET. The two Technical Quizzes were organised under this Chapter as:-

S.No.	Name of Quiz	Date & Time
1.	General knowledge Quiz	13 August 2018 (Monday)
2.	General Science Quiz	14 August 2018 (Tuesday)

- The 672 students participated in the events. The result was declared on 15 August 2018 and circulated at Facebook page- "IEI, SLIET, 2K18-2K19" and Notify App SLIET. The position of winners are given below:-
