Sub: TEQIP - III: Selection of Institutions under Sub-Component 1.3 – reg...

Dear Sir,

This is to inform you that your institution is provisionally selected under Sub-Component 1.3 of the Project, TEQIP-III through Challenge method.

In this regard, you are requested to carry out the process of signing of Memorandum of Understanding (MoU) between the MHRD and institution. A copy of the MoU document is attached as Annex-I.

MoU may first be signed by the Director/BoG Chairman of the Institute. The institute will then submit the signed copy of the MoU to NPIU for further signing by MHRD. Please note that each page of the MoU has to be signed and stamped. The signed copy of the MoU in triplicate may please be submitted to NPIU latest by **18th April 2018**.

This institution will act as Mentor institution of the Focus State under Sub-Component 1.1 (as indicated against its name).

S. No.	Name of the Institute under Sub-Component 1.3	Name of the Institute under Sub-Component 1.1
1	SLIET, Longowal	NIT Uttarakhand

It may kindly be noted that under TEQIP-III, well performing institutions have been selected for participation for strengthening engineering education and research in Focus State Institutions. The twin objectives for 1.3 institutions are as below:

- to provide constant mentorship support to the Twinning Partners of the Focus State
- Institute's own development

With the aforesaid objective, the twinning agreement has been signed for the mutual benefit of both the partners.

Further, the mentor institutes should undertake periodic visits to 1.1 institutes to understand their support needs and help in the Development of institutional strategic plan. Thereafter, you can initiate the activities as delineated in the twinning agreement to facilitate and foster collaboration with your twin partner for knowledge transfer, exchange of experience and long-term strategic partnerships at various levels.

With regards

Yours faithfully,

for Central Project Advisor
