### **Introduction:**

Social work is the continuous feature of all developing economy in the world. The Government of

India is focused more attention towards the society upliftment through women empowerment, youth empowerment, child care, education awareness etc. These type of social fests develop a feeling of social harmony among the society. People get motivation & develop a feeling of act of kindness to make society better. Social fests aware people about how and what they can do for needy ones in the society. However, fests have the power to do so much more than to generate profits. Often, events are planned and produced with the sole objective of delivering social impacts for the local area in which they are held. This fest is an attempt to share the knowledge and discuss various social activities across the country. Happy Club is a social body of SLIET Deemed to be University, Longowal with a vision to sensitize youth and spread awareness around the society. We organize events and campaigns by inviting renowned personalities to engage youth and create a massive impact in the society. Being a part of India's one of the best technological college, we provide an interactive platform by inviting several NGOs which benefits to empower our nation. SLIET is organizing the 1<sup>st</sup> edition of the **Social Festival** in SLIET campus on **11-13 April 2019** based on the theme "**Engage, Encourage, Empowerment of Youth**". The festival inculcates various impactful events, exhibitions, lectures, workshops and competitions to in still a sense of responsibility in the youth towards the society.

### **Festival Objectives:**

The objective of the fest is to develop an awareness of various governmental welfare schemes. The upliftment of the society by identifying and working on problems of the society.
