Smile is something that makes you to be unique. There are many languages on earth but Smile is something that speaks them all. This club is dedicated to all those who want to be keep smiling and want to share that smile with you.

Happy Club is the social and literary intra-university club of SLIET UNIVERSITY located in Longowal village District: Sangrur, Punjab. It is purely run by students of university under the supervision of higher authority.

The club works on the theme "SPREAD SMILE" and club is moving towards happiness. The club is strictly oriented with its theme and growing qualitatively. The committee consists of certain volunteers throughout the institute; these volunteers are elected by the higher authorities according to their interests and skills. All are willing to take initiative and shows the positive response towards the work assigned. Works are properly distributed according to capability of the students.

The club does social works in contiguous villages and NGOs around the university and organizes various competitive activities and events to refresh the minds of students such as FUN GAME, QUIZZES, MARATHON and BLOOD DONATION CAMPS etc. within the campus. The club collects the reusable materials from the students and donates to needy peoples. The funds collected in various events and activities are used to run the club and donate to needy persons.

In year 2016, an initiative was taken by happy club to educate the underprivileged kids of the labours and other construction workers. This move was named as *koshish-ek nayi udaan ki*. Under this kids were not only learning but also admitted in the local school. This move is regarded as a most appreciated work for a noble cause.

2. ROADIES- now or never

A mega event in the history of SLIET under the banner of Kweizar-18 which was the remake of popular T.V. show, Roadies is not where you'll score brownie points if you just sing or dance. It's not same talent hunt contest where a shimmy-shake or a dance move. We are not looking for some gifted idols here. This is a battle that will test your brawn and wits until there are none left. This is where you have to leave your "I am so cool attitude" at home.

The journey is full of arduous and earlier unimaginable tasks and if you have already accepted defeat and thinking of calling it quits, why don't you send your enemies instead? We'll get the dirty job done for you!!! So if you think you have got the guts to survive in this game of ambition that require courage and a never-say-die spirit then what are you waiting for??? Come and be a part of Happy Club present **Roadies-now or never** and experience the 'real' thing!!!

HAPPY CLUB PROJECTS

1. WALL OF KINDNESS-

Happy Club successfully launched one of its best projects “Wall of Kindness”. It is a charity work phenomenon and a kind of welfare in which people can take items which they need and put items which they want to donate. Item can be of any type such as books, clothes, stationary items, shoes, footwear, toys, etc.

“Wall of Kindness” was a dream project of Happy Club which was inaugurated by Dr. Shailendra Jain (Director, SLIET), Prof. Ajat Shatru Arora (Dean SFW), Dr. Arvind Jayant (Chairman, Happy Club), Dr. Manoj Kumar (Faculty Advisor, SADS), Mr. Kaleem Ahmad

Khan (Student Advisor, Happy Club) and Pulkit Singhal (Student Advisor, Happy Club). A large number of items were donated at the Wall was taken up by the needy people. The initiative proved to be a great success.

Date: 28th Feb'19

Venue: Faculty Club, SLIET

2. GREEN DIWALI-

“Diwali” is a festival of light. People celebrate it by lightening lamps and burning crackers. But as always, Happy Club has different meaning for Diwali. Instead of lightening the sky with fireworks, Happy Club tries to lighten the lives of needy people. “Green Denali ” is celebrated every year by Happy Club.

Some old clothes and other materials like blankets, stationary items, school bags, toys, etc. were collected from the hostels and faculty areas and distributed to those who needed them. Apart from these, sweets and some other gifts were also distributed to them. Those people mainly included the workers residing on our college gate, mess workers, hoticulture workers, maids, koshish kids, etc.

The smile that was on their faces after receiving the gifts was a million times costlier than the joy that we get after burning the crackers.

“Green Diwali” also requests people to not burn crackers and celebrate an eco-friendly Diwali.

Date: 30th Oct’18 & 1st Nov’18

Venue: Longowal bus stand & Nature Park (Near Longowal Gate)

3. AAHAR:

Once again, Happy Club moved one step forward which was very close to the humanity which gave satisfaction as well as prestige and the step was AAHAR- Food for All.

The main motive of AAHAAR was whenever we go for a party, either students or faculty in restaurant or anywhere, we may order lot of food than we need. Then, just take a simple step to donate extra remaining food (the food that has not been served) to needy people, just by calling a member of Happy Club and handover the food bag to him/her. After that, this food bag will be provided to the needy ones.

4. DONATION OF CLOTHES

Once again a small attempt by Happy Club to do social work. We donated some old useful clothes, some pair of shoes and some blankets to the needy people in Badrukhan (nearby village of Sangrur) with Dr. Indraj Singh (Chief Warden) and Mr. Nirmal Singh (BHS of BH-10).

HONOUR:

It was a great pleasure for the team Happy Club and SLIET family that we honoured by
