**OFFICE ORDER**

The Institute has issued several office orders/circulars requesting the faculty and staff to ensure compliance of advisories and guidelines issued by the Government of India and Government Punjab to contain the spread of COVID-19 from time-to-time.

It has been observed that :-

01. The residents of SLIET Campus are not following the advisories/guidelines and not even wearing the masks while moving at public places.
02. Even the faculty/staff who have been home quarantined are roaming publically in the campus and meeting others.
03. The campus residents are frequently visiting the markets outside the campus and meeting the outside people.
04. Some of the residents (Faculty/Staff) are moving out of the campus during almost every weekends/holidays.

All of you are aware that the number of active cases of COVID-19 is on increase not only Punjab but all over the India. Due to all this, the Institute is at high risk of attracting Corona.

Furthermore, SLIET being a residential Institute, leaving campus on every week end not only hampers the work but also puts additional burden on others.

All the faculty and staff are, therefore, requested to co-operate in this tough situation and advised to follow the advisories/ guidelines issued by Government of India/Government of Punjab with respect to COVID-19.

In case, any faculty/staff/resident of SLIET is found defying these advisories/guidelines, the same will be viewed very seriously.

This bears the approval of the competent authority.
