Dated : 24 August, 2020

CIRCULAR FOR STUDENTS TO DEPOSIT SEMESTER FEES

Dear Students,

Attention of all the students of the Institute is invited to the subject cited above.

We are hopeful that all our students and their parents are safe and healthy in these trying and tested times.

In relation to fee payment for the current semester the Institute has been in the recent past receiving numerous requests for either waiver of fee or some concession thereof.

The students are informed that at present the Institute is not having such provision in its Rules and Regulations applicable for our students. However, there are some provisions for some waiver / concession in fee under the Poor Students Aid Fund. Under this provision only a few students could be helped and that too under an approved criterion available in the office of Dean (Students Welfare).

Keeping in view the requests of the students and taking a lenient view, it has been decided that the students may deposit their semester fee starting from 17th August, 2020 to the 30th Sept, 2020. It may please be appreciated by the students and their parents that the Institute has already given a very sufficient time period to deposit the semester fee, considering their own requests and the present conditions arising out of Covid-19.

It may also be noted that for the time being the students have to deposit only the semester fee. The hostel and it's related fee is not being charged by the Institute.

In view of the foregoing, all the students are earnestly requested to deposit their semester fee as per the time frame and procedure announced by the academic section. However, the requests of the students where they are paying their semester fee through Bank loans shall be given due consideration under the rules applicable to the students.

I on behalf of the Institute wish you all the best of luck.
