The Alumni Association/Chapters (registered and functional) contributes significantly to the development of the institution through financial and other support services during the last five years

Describe the contribution of alumni association to the institution within a maximum of 500 words.

Founded in 2017, the SLIET Alumni Association (SAA) is registered under Societies Registration Act (XXI of 1860) and amended by Punjab Amendment Act, 1957. Presently it has four chapters. The primary mission of SAA is to fill the gap between Alumni and its Alma Mater along with Students of SLIET.

Major areas of contribution by the alumni are given below:

Career Guidance - Pre-placement talk hosted by alumni is beneficial to the students for choosing the career path. The valuable suggestions of the super seniors are utilized by students in their (students) respective areas of study. Domain specific guidance given to respective batches help them acquire the knowledge, information, skills, and experience necessary to identify career options and pursue that.

Placement Support - Institute has a strong alumni network which is one of the major sources of placement opportunities to the students. Job hunts under various roles from the companies across nation and globe are now increasingly being informed to the prospective students through this association. Conduction of Mock Interview for students is a phenomenal activity by the prestigious alumni as a part of brush up session for placement support.

Networking & Mentoring - Association with alumni has gradually become strong day by day through social media as well as physical alumni meet at college premises and in the major cities. The established alumni of this institute benefit us by mentoring the students socially, academically, and professionally in their areas of expertise and thus help students in smooth sailing from academics to industry. They are an important stakeholder for achieving the solution to the challenges faced by the institute and in achieving its vision and mission.

Academic & Extra-academic Support - Few distinguished alumni play an active role in modification & up-gradation of the curriculum-syllabus of various courses as per the requirements of the governing body and industry. They are part of our **Board of Studies (BOS)** and **Senate**. Time to time alumni give guest lecturers, guide new students in orientation programs and contribute as industry experts and cooperative partners with the institute.

Entrepreneurial Assistance - Many of the alumni are now entrepreneurs and are in touch with their alma mater for nurturing the fresh minds towards start-ups. The alumni who are established entrepreneurs involve themselves voluntarily in supporting and providing the knowledge, infrastructural support to the institute for propelling the entrepreneurial journey of the continuing UG students or PG students.

Assistance in Institute Administration - The alumni support us in Institute administration through their suggestions and experiences. They are part of our **Board of Management (BOM)** for which around 04 meetings in a year are conducted.

Alumni update their information and activities on digital platforms such as
