MESSAGE

As you move on from the cloistered environs of SLIET to the larger world of Industry 4.0, large number of opportunities beckon to you to make your future life more fulfilling. It is for you to grasp those opportunities by leveraging the technical input you received at SLIET. The world out there changes very fast and within 10 years, you will need to re-tool yourselves with new skillsets so as to remain professionally relevant. In this respect, the strong theoretical and practical training imparted at SLIET has made you robust enough to handle any challenging task in future. You are now on the threshold of a new career and I am sure you'll prove worthy of the Institute you belong to and will do your best in life in order to enhance the prestige not only of your alma mater but of the country as a whole.

'Fail you must to succeed finally'.

(MADHU RANJAN KUMAR)

Sh. Jagdish Rai Singal

Chairman, Board of Management

Sant Longowal Institute of Engineering and Technology,
Longowal-148106, Punjab

MESSAGE

It is my pleasure and heartfelt duty to convey my greetings and best wishes to SLIET fraternity and graduating students on the occasion of its 22nd Convocation 2020. I am happy to acknowledge that the Institute has taken various path-breaking initiatives to promote innovation and skill up gradation of students along with its academic curriculum.

I gratefully recognize the invaluable contributions of Dr. Shailendra Jain, Director of the Institute for his stupendous efforts in taking the Institute to a newer heights. Team SLIET is sincerely and diligently preparing the young graduates for facing the challenges of the market and the competitive world. I hope the Institute will continue to strive for academic excellence with added zeal and enthusiasm in the years to come.

Once again I extend my best wishes to all on this occasion.

Jagdish Rai Singal

Prof. Shailendra Jain

Director

Sant Longowal Institute of Engineering and Technology,
Longowal-148106, Punjab

MESSAGE

It is extremely exhilarating for us that Sant Longowal Institute of Engineering and Technology, Longowal has accomplished yet another year of academic excellence and we are celebrating this achievement in the form of 22nd Convocation on 7th March 2020.

The Institute believes in the infinite potential of its students and makes them realise that the only limitations in their lives would be the ones that they set upon themselves. Rest the Institute has quipped and polished them well for their life journey.

The Management, Faculty and Staff of the Institute endeavour to turn the young blank slates into global citizens and leaders of tomorrow. Team SLIET aspires to make a difference through education. The mission might seem idealistic but this is precisely what we aim at.

On this solemn occasion I extend my heartiest felicitations to the young envoys of the Institute and their proud parents. We expect our alumni to outperform in their lives and wish them fair winds and following seas for their future voyages.

I extend my sincere thanks to faculty & staff of SLIET, Board of Management and MHRD, New Delhi to make it possible.

Shailendra Jain

Prof. Ajat Shatru Arora

Dean Academics

Sant Longowal Institute of Engineering and Technology,
Longowal-148106, Punjab

MESSAGE

It is a matter of immense delight for us to host the 22nd Convocation ceremony at Sant Longowal Institute of Engineering and Technology, Longowal on 7th March 2020. On this occasion, I hope the passing out students, who have recently become the part of our cherished alumni, will continue to work hard with patience and perseverance and will continue to serve as worthy ambassadors for the Institute by building upon our reputation for excellence.

On the bedrock of core values, the Institute has made rapid progress in the path of incessant growth and innovation. Thanks to Dr. Shailendra Jain, Director of the Institute, for putting in his confidence in us and encouraging us to strive for an evolutionary pedestal.

I once again congratulate the recipients of graduation degrees and wish them a thriving and rewarding life ahead.

Ajat Shatru Arora

VISION

SLIET shall strive to act as an international podium for the development and transfer of technical competence in academics through formal and non formal education, entrepreneurship and research to meet the changing need of society.

MISSION

1. Non formal, flexible, modular, multipoint entry programmes in engineering and technology and in the areas like rural development educational planning, information and management sciences.
2. Education and training in modern technology areas.
3. Promotion of self development among the students.
4. Extension services to industry working population, passed-out students, social organisations and institutions of research and higher learning.
5. Close interface with the industry to conduct research on the basis of manpower requirements leading to integrated educational planning curriculum development and instructional material preparation in technology and inter-disciplinary areas.
6. Promotion of institute-institute linkages for sustainable development of academic and research.

MEMBERS OF BOARD OF MANAGEMENT, SLIET, LONGOWAL

Sr. No.	Name and Address	Designation
1	Shri Jagdish Rai Singal, Chairman, Eastman Auto & Power Limited and Eastman Group, 546-547, Udyog Vihar, Phase-V, Sector 19, Gurugram (Haryana) - 122016	Chairman
2	Prof. Shailendra Kumar Jain, Director, SLIET, Longowal.	Member Secretary
3	Shri Madhu Ranjan Kumar, Joint Secretary (T), Govt. of India, MHRD, Department of Higher Education, Shastri Bhawan, New Delhi	Member
4	Mrs. Darshana M. Dabral, Joint Secretary & Financial Advisor, Govt. of India, Ministry of Human Resource Development, Department of Higher Education, IF Division, Shastri Bhawan, New Delhi.	Member
5	Prof. Rajiv Kumar, Adviser-I (P&AB Bureau), All India Council for Technical Education, Nelson Mandela Marg, Vasanth Kunj, New Delhi - 110067	Member
6	Sh. Anurag Verma, IAS, Principal Secretary, Technical Education and Industrial Training	Member
7	The Vice- Chancellor, Maharaja Ranjit Singh State Technical University, Bathinda	Member
8	Sh. K.P. Singh, IF4, AB1, Department of Physical Sciences, Indian Institute of Science Education and Research, Sector-81, Sahibzada Ajit Singh Nagar, Mohali	Member

22nd ANNUAL CONVOCATION

March 7, 2020

SEQUENCE OF EVENTS

- Annual Convocation will be held in the Auditorium of the Institute. All the invitees are requested to occupy their seats by 11.50 p.m. on 07.03.2020 (Saturday).
- Honourable Chief Guest, **Prof. Prem Vrat**, will be received at the Convocation Site at 12.15 p.m. by Chairman, BOM, SLIET, **Shri Jagdish Rai Singal**, Director, SLIET, **Prof. Shailendra Jain** and Dean (Academics), **Prof. Ajat Shatru Arora**. The Chief Guest, Chairman, Director and Dean (Academics) will wear Convocation Sash and join the Academic Procession.
- The Academic Procession will start at 12.25 p.m. for the Convocation Ceremony.

CONVOCATION SCHEDULE

Sr. No.	Schedule
1	Arrival of the Chief Guest, the Chairman BOM, the Director SLIET and the Convocation Procession
2	Sansthan Kulgeet
3	Jyoti Prajawalan
4	Director SLIET declares the Convocation Open
5	Welcome Address by the Dean (Academics), Prof. A. S. Arora
6	Institute Report by the Director, Prof. Shailendra Jain
7	Award of Ph.D. Degrees
8	Award of P.G. Degrees
9	Award of B.E. Degrees
10	Award of Degrees in Absentia
11	Pledge to Graduates by Director
12	Award of Gold Medals
13	Presidential Address by the Chairman, BOM, Shri Jagdish Rai Singal
14	Convocation Address by the Chief Guest, Prof. Prem Vrat
15	Director SLIET declares the Convocation Closed
16	Felicitations
17	Vote of Thanks by the Dean (Academics), Prof. A. S. Arora
18	National Anthem
19	Academic Procession leaves the Auditorium

Welcome Address by Prof. Ajat Shatru Arora, Dean (Academics)

Honourable Chief Guest of the day, **Prof. Prem Vrat**, Pro-Chancellor, NorthCap University, Gurugram and Ex-Director, IIT Roorkee,

Distinguished **Shri Jagdish Rai Singal**, Chairman, Board of Management,

Esteemed **Prof. Shailendra Jain**, Director, SLIET,

Members of the Board of Governors

Deans, HODs, Faculty and Staff Members, Members of Electronic and Print Media, beloved degree recipients and my dear young student friends, Ladies and Gentlemen,

It is a moment of great honour and opportunity for me to extend a very warm welcome to all of you on the 22nd Convocation of Sant Longowal Institute of Engineering & Technology, Longowal. We are indeed privileged to have amongst us Prof. Prem Vrat, whose very presence lends to this occasion a unique honour and prestige. Sir, on behalf of entire SLIET fraternity, I extend my humble gratitude for accepting our invitation to grace this occasion as a Chief Guest.

Very special greetings to Shri Jagdish Rai Singal, Founder Chairman of the highly acclaimed Eastman Group. He has been our pillar of motivation and his visionary leadership and expert supervision is helping SLIET to aim and achieve its fullest potential.

Professor Shailendra Jain, the dynamic mentor and captain of this Team SLIET also deserves a special welcome for his ever encouraging spirit. His stewardship and visionary approach to felicitate quality education in this Institute is highly commendable. We are always motivated by his charisma to work relentlessly in the service of education sector in general and the nation at large.

I also welcome Honourable Members of Board of Governors, Senate Members, Faculty and Staff, graduating students and their proud parents. As we celebrate today the success of our students, we thank you all for imbibing the right values in them which kept them motivated throughout their journey at SLIET.

My dear graduating students, as we have gathered here on this momentous occasion to applaud your achievements, I would urge you to carry forward the legacy of this Institute by making your mark at everything you do in life. The values instilled in you, during your stay at

the campus will go a long way in contributing to your growth not only in terms of developing professional acumen but more importantly nurturing you as a good human being. Your parents, teachers and the Institute management have played their part, now it is up to you to realize your future prospects. Remember 'the only helping hand is that at the end of your arm'. Life will offer you ample resources and opportunities, it will always approve your decisions and walk in your direction provided you aspire for greater things in life with full conviction. For this you need to have a sincere desire and devotion to be productive, creative, and co-operative. You must accept yourself as a part of the greater creation of this universe; learn to share your love, joy, and wisdom with fellow humans and be involved in the service of mankind.

In order to find success in this challenging world, to make a positive impact on it, and to make the world a better place to live in, you all need to become worthy human beings. You need to be more knowledgeable than you are today. You need to be more caring and more principled. You need to be a better risk-taker, and be more open-minded. Just because you are graduating today, does not mean that your grooming is accomplished, you will have to keep on brushing up your personalities for better lives. You will have to persistently work hard and be confident to improve your professional and soft skills. Here I would like to quote the famous lines by our dear departed former President Dr. A. P. J. Abdul Kalam who once said:

Success is a vehicle, which moves on a wheel named "HARD WORK"

but the journey is impossible without the fuel named "SELF CONFIDENCE"

So my dear students, it is my sincere advice to each one of you to pursue your quest for knowledge. Aspire for your dreams and ambitions. You might stumble by the wayside or fall from dangerous cliffs of missed opportunities, yet be firm in your dreams and goals. Failures and setbacks of all kinds will vanish and you shall conquer success. With these words I once again thank our worthy Chief Guest and distinguished Chairman for their benign presence amongst us today. We hope this event be a memorable one for all present here.

Thank you!

जय हिंद!

Welcome Address and Institute Report by Prof. Shailendra Jain, Director

Honourable Chief Guest of the day, **Prof. Prem Vrat**, Pro-Chancellor, NorthCap University, Gurugram and Ex-Director, IIT Roorkee,

Distinguished **Shri Jagdish Rai Singal**, Chairman, Board of Management,

Invited Dignitaries, Guests,

Members of the Press and Electronic Media,

Deans, Heads, Faculty and Staff Members of the Institute,

Beloved Degree Recipients and their Families,

Ladies and Gentlemen,

Heartiest welcome to you all on this special occasion of **22nd Convocation of Sant Longowal Institute of Engineering and Technology, Longowal**. It is such a privilege to be in the company of an eminent academician **Prof. Prem Vrat**, our worthy mentor **Shri Jagdish Rai Singal** and the young, successful graduates whose presence has filled this auditorium with energy, gaiety and enthusiasm.

Dear graduating students, education is not the filling of a pail but the lighting of a fire and we are confident that the Institute has ignited your minds and kindred your paths to a successful life before you step out of this Gurukul. Today's convocation is to encash the inputs made by various contributors in achieving various benchmarks in your life. The first being your parents and your family. They are the first school and the first teachers you had, who guided your path to learning and taught you about the importance of knowledge, education, hard work and perseverance. Further, your teachers were entrusted with the profound responsibility of being your guardians and turning you into intellectual beings. Your parents made a major investment for your future which began at the time when you first arrived at this campus. They handed you over to the Institute for turning you into good professionals with sound values and the Institute has put in best of its efforts to fabricate a holistic environment for your grooming.

You, the graduates of SLIET, are among the best minds in the country and in the world. You have received a fine education. As you progress in your professional careers, we would like to

see you among those who will be instrumental in revolutionizing the entire socio-political milieu of the country. An institute is not built on bricks and pieces of marble, it is the devotion of the teachers, staff and above all the students who contribute in putting together a thriving educational establishment. SLIET has never deviated from its abiding commitment to excellence and each one of us, as a teacher, feels privileged to work in an environment that is surrounded by such talent and commitment. Although the entire education industry is witnessing very challenging times at present because there is a crunch in admissions when students are going abroad, yet SLIET has continued to attract quality students from all over India who are more than enthusiastic to be the part of this technical institute. With all compliments to the unheralded commitment of our dedicated management, faculty and staff, we have accomplished yet another rewarding year in the archives of our Institute. Today, we are proudly conferring 35 Ph.Ds, 125 Post-Graduate Degrees and 477 B.E. Degrees in various streams.

Dear students, your future is an unwritten symphony just awaiting your creative, daring and unique talent to make it a masterpiece and you are fortunate to be graduating at a time when under the patronage of our Honourable Prime Minister, **Shri Narendra Modi Ji**, new vistas have been opened for a vibrant and dynamic India with a gentle breeze of new and advanced technology. Guided by "**Sabka Saath, Sabka Vikas, Sabka Vishwas**", the aspiring and caring India is surging ahead with globally recognized unprecedented milestones like Fourth Industrial Revolution, Make in India, Digitization Drives, Promotion of Growth and Development of Micro, Small and Medium Enterprises (MSME's), Start-ups and various Global Summits. The Institute has mentored you in building a meaningful life through knowledge, acculturation and counselling. As a result, you have not been empowered with knowledge only but have also been endowed with certain qualities of character and mind like honesty, empathy, sincerity, hard work and above all a sense of pride to serve the nation. It becomes your responsibility now to put your heart, mind and soul for the development of Mother India. Remember the inspirational words of our Former Prime Minister, **Shri Atal Bihari Vajpayee Ji**, who said

आओ फिर से दिया जलाएँ
भरी दुपहरी में अँधियारा
सूरज परछाई से हारा
अंतरतम का नेह निचोड़ें—
बुझी हुई बाती सुलगाएँ।
आओ फिर से दिया जलाएँ
आओ फिर से दिया जलाएँ

Inspired by a similar spirit of re-enlightenment, our Institute always strives to radiate knowledge and ignite the young minds with innovative ideas. The vision and values of our Institute vindicates the slogans:

"Proud to Be Part of Team SLIET"
"Together We Can Make a Difference"

शैक्षिक उत्कृष्टता और अपनी उल्लेखनीय पहचान के द्वारा हमारी संस्था **संत लॉंगोवाल इंस्टीट्यूट ऑफ इंजीनियरिंग एंड टेक्नोलॉजी, लॉंगोवाल** युवाओं को अपने व्यक्तित्व के सर्वांगीण विकास के लिए अपने कौशल का उपयोग करने, और समाज, समुदाय और देश सेवा में प्रभावी योगदान देने के लिए तैयार करने हेतु प्रयासरत है।

On this momentous occasion, we would like to share with our worthy guests that the Institute has come a long way from its humble beginnings with its pioneering work in the field of technical education to its present stage. Under the distinguished patronage of great missionary **Late Sant Harchand Singh Ji Longowal**, the Institute has carved a niche for itself since its inception in the year 1989. The Ministry of Human Resource and Development declared the Institute a Deemed-to-be-University on 10th April 2007. At present, the Institute is running 13 Integrated Certificate-Diploma, 7 Degree, 11 Post-Graduate, and Ph.D Programmes in various disciplines of Engineering, Sciences, Management and Humanities. Spread over an area of 451 acres, the Institute provides an amalgamation of mental tranquility and a utopian working environment that endorses ample opportunities to its faculty, staff and students for scholastic and co-scholastic expression. We persistently aspire to maintain state-of-the-art infrastructure for research and development for which we are constantly supported and funded by different national and international agencies like MHRD, AICTE, DST, CSIR, DRDO, etc.

Today is certainly a historic moment for the Institute. This is an occasion for us to introspect the course of our journey, pause for a moment and to reflect where we are today and where we aspire to be tomorrow. I am extremely happy to inform you that the 22nd Annual Convocation of our Institute is happening at a time when the Institute is heading progressively to make great strides towards achieving excellence in diverse areas. Let me take this opportunity to briefly share with you some selective achievements of the Institute.

Apart from providing plenty of opportunities to our faculty and staff, recognition of academic achievements of our students in the form of prize money to be bestowed upon them on the occasions of Republic Day and Independence Day, several academic distinctions, honours and

awards, fellowships of professional societies, books and monographs have been conferred on our faculty, staff and students. Some of these are:

To focus on outcome based education and NIRF ranking, a war room concept has been initiated in the Institute and honourable **Shri Jagdish Rai Singal**, Chairman, Board of Management inaugurated the **War Room** in the Administrative Block.

Under TEQIP-III, a **Central Computing Facility** in Mechanical Engineering block has been developed. It was inaugurated by honourable **Shri Jagdish Rai Singal**, Chairman, Board of Management.

Proud To Be Part of Team SLIET

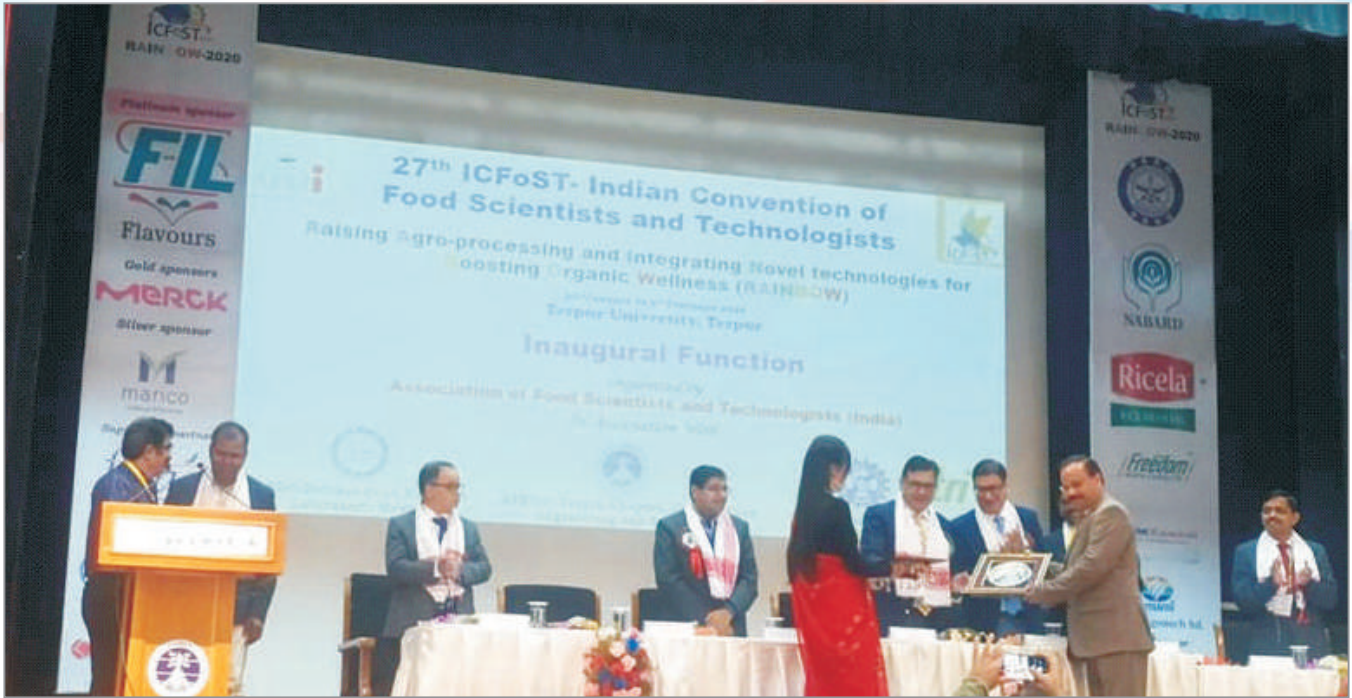

Together We Can Make a Difference

A **Memorandum of Understanding (MOU)** has been signed with **Eastman Cast and Forge Limited, Ludhiana, Punjab** for sponsoring research in the areas as per the needs of the Eastman Group. To facilitate a collaborative programme of research, skill development, consultancy, institutional development, information dissemination and students' in-plant training, a **Memorandum of Understanding (MOU)** has been signed with **MRS PTU, Bathinda and IIFPT, Thanjavur**.

Dr. Shailendra Kumar Jain, Director SLIET has been elected Honorary Fellow of Punjab Academy of Sciences under engineering sciences in recognition of his outstanding achievements in the field of Electrical and Electronics Engineering.

Dr. D. C. Saxena, Professor (FET) has been awarded **Prof. Carl Hosney Award** from the Association of Food Scientists and Technology for his significant contributions towards the development of Cereal Science and Technology.

Dr. Dhiraj Sud, Professor (Chemistry) has been awarded **Prof. Kaza Somasekhara Rao Award 2018** for the Best Women Scientist in Chemistry.

Dr. Shailendra Kumar Jain, Director SLIET attended a conference of Vice Chancellors and Directors for implementation of National Schemes organized under the chairmanship of Honourable Governor of Punjab at Chandigarh.

Dr. A. S. Dhaliwal attended **Leadership for Academicians Programme (LEAP)** at IIT, Kharagpur and its extension programme at Cambridge University, United Kingdom.

Dr. Rajesh Kumar, Professor (ME) has been nominated as **Member of the Expert Advisory Group** on Device Development Programme of Department of Science and Technology, Government of India.

Dr. Arvind Jayant, Professor (ME), has been selected for **Short Term Indian Faculty Secondment** to Asian Institute of Technology, Bangkok.

SLIET Longowal has a fully functional Institution's Innovation Council (IIC) as per the directive of **MHRD Innovation Cell (MIC)**. The **IIC SLIET-1.0** has performed exceptionally well and has been accorded 4-stars rating by MIC and stood fourth in the north region. **Dr. R. K. Saxena, Dr. Indraj Singh, Dr. Surita Maini** and **Ms. Barasha Mali** attended two days' Innovation Ambassador Program in January-2020 organised by MHRD Innovation Cell (MIC). A number of student teams participated in Smart India Hackathon organised by AICTE under the aegis of IIC-SLIET and I am pleased to share that, at present, **IIC SLIET-2.0** is under progress.

SLIET won **Dell College of the Year Award** at Dell headquarters Bangalore wherein two of our students Sachin Korla and Ashutosh brought laurels to the Institute by winning the Dell Campassador Competition amongst six hundred shortlisted campassadors out of twenty-four thousand applicants nationwide.

Under the guidance of **Dr. Shankar Singh**, Professor (ME), the team **Junkyard Warriors** fabricated a four-wheeled single-seater all-terrain vehicle (ATV) and participated in Baja SAE India 2019 organised at the Indian Institute of Technology, Ropar. The team led by **Abhishek Tiwari** bagged the **Durability Award** and **Pride of Punjab** Award along with cash prizes. The team **Juggernauts** participated in the International Go Kart Championship 2019 held at Lovely Professional University, Jalandhar and bagged the **Best Build Quality Winner Trophy**. The team **Green Rangers 2019** participated at LD College of Engineering, Ahmedabad and bagged **Overall Winner of EGVC 2019** in addition to **Endurance Winner, Maneuverability Award** and **Best Design Runner-up Award**.

Proud To Be Part of Team SLIET

Together We Can Make a Difference

A Ph.D. research scholar, **Jastej Singh**, working under the supervision of **Dr. A. S. Shahi**, Professor (ME) was conferred with the **Young Scientist Award** for the year 2019 by the Punjab Academy of Sciences, Patiala and the **SLIET Quality Publication Award**.

Department of Computer Science and Engineering organized a training program on “Office Automation and System Management” for non-teaching staff co-ordinated by **Er. Rahul Gautam** and **Er. Jaspal Singh**. An AICTE Training and Learning (ATAL) Academy sponsored workshop on “Internet of Things (IOT)” was organized by the department under the co-ordinatorship of **Dr. Manoj Kumar Sachan**, **Dr. Damanpreet Singh**, and **Dr. Major Singh**. **Prof. Klimis Ntalianis**, University of West Attica, Athens, Greece, **Prof. Vijay Mago**, Lakehead University, Canada, and **Prof. Raj Kumar Buyya**, Director, Cloud Computing and Distributed Systems Lab University of Melbourne, Australia delivered the expert lectures to the faculty, staff and students. SLIET Software Development Club organized a workshop for the students on the topics “C Programming Language” and “Python Programming Language”. It also conducted various online coding competitions on hackerrank.com from time to time. Team Intense IQ under the mentorship of **Dr. Major Singh Goraya** and **Dr. Sanjeev Prakash Gaur** qualified for the finals of Start Up India Challenge 2019 by SBI and Synd Innovate Hackathon 2019 held in Mumbai and Bangalore respectively.

Department of Electrical and Instrumentation Engineering received a grant of Rs. 25 lacs from AICTE Margdarshan Scheme and under the co-ordinatorship of **Dr. Ajat Shatru Arora**, the department started Institute Innovation Cell which has been rated four star. Under Shastri Indo Canadian Institute, **Dr. Surita Maini** has been nominated to attend SMP in Canada. The department also organized expert talks by **Dr. N. C. Shivaprakash**, Department of Instrumentation and Applied Physics, IISc, Bangalore, **Prof. N. P. Padhy**, Dean Academic Affairs, Indian Institute of Technology, Roorkee and **Prof. K. G. Srinavasa** from NITTTR, Chandigarh. **Ms. Barsha Mali** organized a SICI sponsored Workshop on “IoT using Arduino”. **Dr. A. K. Aggarwal** delivered an invited talk at Hokkaido University, Sapporo, Japan and chaired a session in IEEE second international conference at Manipal University, Jaipur. Faculty members of the department conducted classes at NIT Utrakhnad under twinning arrangement of TEQIP-III scheme.

Under the aegis of TEQIP-III, **Department of Electronics and Communication Engineering** organized a two days' workshop on Low Frequency and High Frequency Design using Tarang for the undergraduate students at SLIET and a five days short term course on Nano-Electronics and VLSI: Devices, Circuits and Systems in collaboration with NIT Uttarakhand at Uttarakhand under the co-ordinatorship of **Er. Kuldeep Singh, Er. Vivek Harshey and Dr. J. S. Ubhi, Er. Pankaj Kumar** Das respectively. In order to aware the students about the importance of moral and human values, **Dr. Ajay Pal Singh** organized an AICTE sponsored Student Induction Programme on "Universal Human Values" and a seven days' Residential Faculty Programme. Three Projects were sanctioned to **Dr. Surinder Singh** by DST-RFBR, AICTE and DST amounting to Rs. 21.5 lacs, 25 lacs and 4 lacs respectively. Under twinning arrangement, **Dr. Dilip Kumar, Er. Vipul Singhal and Er. Sarbjeet Singh** delivered expert lectures at Jaipur Campus of NIT Uttarakhand. Dr. Ajay Pal Singh published a chapter on "The Role of Thermal Imaging in Road Patrolling Using Unmanned Aerial Vehicles" in the Springer book entitled "Unmanned Aerial Vehicle: Applications in Agriculture and Environment".

In collaboration with National Institute of Technology Kurukshetra, Delhi Technological University, NIT Srinagar and Society for Fusion of Science and Technology, the **Department of Mechanical Engineering** organized an international conference on "New Frontiers in Engineering, Science and Technology". Under TEQIP-III, the department also collaborated with

NIT Kurukshetra for the organization of one-week short term course on "Research Methodology" and a one-week short term training programme along with the Departments of Physics and Chemistry on "Material Characterization and Analytical Techniques for Research Applications". The department also organised TEQIP-III sponsored programme on "Industrial Quality Tools" co-ordinated by **Dr. Rakesh Kumar** and **Dr. Anil Singla**; an AICTE Training and Learning (ATAL) Academy Programme on "3D Printing and Design 2019" co-ordinated by **Dr. Rajesh Kumar** and **Dr. R. K. Saxena**; and a "Technology Day Event" by EDS Technologies Pvt. Ltd. Chandigarh, co-ordinated by **Dr. Rajesh Kumar**, **Dr. Pardeep Gupta** and **Dr. R. K. Saxena**. Under the co-ordinatorship of **Dr. Rakesh Kumar** and **Dr. Anil Singla**, a two days' workshop on "Industrial Motivation Campaign for Youth" was also organized by the department in collaboration with National Small Industries Corporation Limited. **Dr. Rajesh Kumar** was sanctioned an AICTE funded research project amounting to Rs. 17 lacs; **Dr. Vivek Kumar** and **Dr. Sunil Kumar** were sanctioned a TEQIP-III funded project amounting to Rs. 2.10 lacs. Expert lectures were delivered in the department by **Er. Harpreet Singh Bhui**, Director, Brahm Engineers, Mohali, **Dr. Arun K. Saha**, Department of Mechanical Engineering, IIT Kanpur, **Prof. Vijay Kumar Skhwani**, Government Engineering College, Ujjain and **Captain Anil Kumar (Retd.)** Indian Navy presently heading Training and Sourcing Tenon Group of Company, New Delhi. **Dr. Amandeep Singh Shahi**, **Dr. Rajesh Kumar**, **Dr. Anil Singla** delivered expert talks; and **Dr. Amrik Singh** attended a two days' workshop at Aurangabad. Some of the faculty members visited the Chamber of Industrial and Commercial Undertakings, Ludhiana for technical discussions with **Mr. Upkar Singh Ahuja**, General Secretary and MD of M/s New Swan Industries.

Department of Chemical Engineering organized workshops on "MATLAB and Simulink for Process Engineers" and "Entrepreneurship-Dream To Be An Industrialist" under the co-ordinatorship of **Dr. Nikhil Prakash**, **Dr. Amit Rai** and **Dr. Gulshan Kumar Jawa** respectively. Industrial visits were arranged for the students at Kwantum Paper Limited, Hoshiarpur, Punjab and KRBL, Dhuri.

Department of Food Engineering and Technology organized a two days' workshop on HACCP. Three research projects were awarded to the department by TEQIP-III, CSIR, New Delhi and Punjab State Council for Science and Technology, Chandigarh with the support of Biotechnology Industry Research Assistance Council, New Delhi. **Dr. P. S. Panesar** along with **Dr. H. K. Chopra**, Professor (Chemistry) has been sanctioned a consultancy project amounting to Rs. 1. 28 lacs. **Dr. Vikas Nanda** received a grant of Rs. 1.77 lacs from DST, Govt. of India, for presenting research paper in APIMONDIA 2019 held at Montreal, Canada. An expert lecture was organized by **Dr. Alok Srivastava**, Chief Scientist, CSIR-CFTRI, Mysuru, an official auditor for NABL. **Dr. P.S. Panesar** has been nominated as a Member of the Scientific Panel by Food Safety & Standards Authority of India. **Dr. Kamlesh Prasad** and **Dr. Vikas Nanda** are nominated as the members BOS Main Campus and affiliated colleges of IKGPTU, Kapurthala. The department also celebrated the World Food Day and organized a number of programmes in a stretch of one-week.

Department of Management and Humanities organized a one day conference on Organic Farming titled "Path of Sustainable Development and Food Security" under the co-ordinatorship of **Dr. Parveen Kaur Khanna**, **Dr. Pardeep Kumar Jain** and **Dr. JapPreet Kaur Bhangu**. A three days' programme on "Soft Skills and Counselling" for ICD students, a one day workshop on "Opportunities and Challenges in Canada", a three days' workshop on "Happiness and Well Being" and a one day workshop on "Rural Development" under Unnat Bharat Abhiyan were organized under the supervision of **Dr. Parveen Kaur Khanna**, **Dr. Pardeep Kumar Jain** and **Dr. Mandeep Ghai**. Constitution Day was celebrated in the Institute by **Dr. Khanna**, **Dr. Jain** and **Dr. Ghai** in collaboration with **Dr. Kulwant Singh**, Professor (ME). Under TEQIP –III, **Dr. Mahesh Arora** organized a workshop on "Entrepreneurship". In association with STEP, Ludhiana, **Dr. Sanjeev Bansal** conducted a three days' "Entrepreneurship Awareness Camp". Faculty and Staff of the department carried out tree plantation drive keeping in view the MHRD campaign of "One Student, One Tree".

Department of Chemistry organized a one-week short term training programme sponsored by TEQIP III on “Advances in Separation Processes and Purification Techniques” in collaboration with the Department of Chemical Engineering and a one-week short term training programme on Material Characterization and Analytical Techniques for Research Applications in collaboration with the Departments of Physics and Mechanical Engineering. A one day workshop on “Energy Conservation/ Efficiency” under Punjab Energy Development Agency, a designated agency by Ministry of Power was also organized. **Prof. Dhiraj Sud** filed a patent in the field of Chemistry. **Dr. Harish Chopra** has been sanctioned a consultancy project amounting to Rs. 1.3 lacs. Under TEQIP-III, projects of one lac each have been sanctioned to **Dr. Hemant Kumar** and **Dr. Payal Malik**.

In the **Department of Mathematics**, **Dr. R. K. Mishra** has been sanctioned a project titled "Entrepreneurship Development Programme" under DST amounting to Rs. 94.50 lacs. **Dr. Mishra** was invited as a member of selection committee for the recruitment of faculty and non-teaching staff at NIT Nagaland and for the promotion of technical faculty working in colleges under Government of Punjab by Director, Technical Education, Punjab. He also participated in a meeting organized by Punjab Skill Development Mission in Chandigarh. Dr. V. K. Kukreja delivered a keynote address at Shaheed Bhagat Singh State Technical Campus, Ferozpur. Invited talks were delivered by **Dr. Kukreja** and **Dr. Mandeep Singh** at Indian Institute of Management, Indore, NIT, Uttarakhand and Mohan Lal Sukhadia University respectively.

Department of Physics organized TEQIP-III sponsored short term training programmes on “Materials characterization and analytical techniques for research application” and “Synthesis and Characterization of Multifunctional Materials” at NIT Uttarakhand, Srinagar campus under the co-ordinatorship of **Dr. M. M. Sinha**. A “Global Student Solar Ambassadors Workshop” was organized by **Dr. Sinha**. He also attended an international conference at Kerala and delivered lectures at Jaipur centre of NIT Uttarakhand. **Dr. Neeraj Khare**, Professor of Physics, IIT Delhi delivered an expert talk on “Nanomaterials for societal benefits”. 23rd Punjab Science Congress was organised under the chairmanship of **Dr. A. S. Dhaliwal** and Punjab Children Science Congress was organised for school children under the co-ordinatorship of **Dr. M. M. Sinha**.

Department of Training and Placement is striving hard to attract the MNCs for campus placement of our students. Companies like ISGEC Heavy Engineering Ltd., Capgemini Technology Services India Ltd., and Infosys Ltd. have recruited our students recently. In addition to the above, 20 more industries including Tata Consultancy Services, Hindustan Unilever Limited, Mahindra & Mahindra Ltd., Godrej & Boyce Mfg. Co. Ltd., CGI, Lido Learning, Vardhman have visited the Institute and about 150 students of SLIET have been successfully placed. A number of Campus-to-Corporate, Mock Interviews and Expert Lectures are organized in the department as a regular feature.

In order to ensure better placement opportunities for our students, a **Communication Skills and Personality Development Cell** is made functional in the Institute. This Cell successfully

a "Pilot Programme on Soft Skills Proficiency for Employability of Engineering Graduates" under the co-ordinatorship of **Dr. Dhiraj Sud** and **Dr. JapPreet Kaur Bhangu**. It is a matter of pride that the Institute was selected by AICTE to run this pilot programme. It also organized a number of workshops like "Basic English Speaking Skills", "Enhancing English Speaking Skills", etc., for augmenting communication skills and etiquettes for students of ICD and Degree.

The Institute is also well furnished with an updated Central Library catering to the needs of the students and faculty with a rich collection of books, journals, magazines, daily newspapers, periodicals, and e-resources. The library is INDEST-Consortium member which enables it to access journals from IEEE, Springer, ASME, ASCE, ACM, and Nature, etc. It is well equipped with the infrastructure for the efficient utilization of NPTEL, SWAYAM, and Urkund Plagiarism Software. The library has been further enriched with recent addition of a purchase of 339 e-books from renowned suppliers like McGraw Hill, Taylor & Francis, PHI, Pearson, etc.

Besides vigorous academic activities, the Institute is also focusing on the overall personality development of the students. Therefore, adequate provisions for extra-curricular activities including Games and Sports have been made. Our sports persons excelled at Inter Technical Athletics Tournament held at Thapar Institute, Patiala. Girls' team bagged 2nd Position in 800m, Long Jump, Shot Put, 4×400m relay, 3rd Position in 400m, 4×100 relay; and boys' team bagged 2nd Position in Javelin Throw and Shot Put. At Inter Technical University Volleyball Tournament held at NIT Kurukshetra, the boys' team bagged 2nd Position and the girls' team bagged 3rd Position. The 3rd Position was also secured by the boys' team at Inter Technology University Volleyball Tournament at Thapar Institute, Patiala. At Inter Technical University Yoga Tournament held at NIT, Kurukshetra, the boys' team held the 3rd Position.

Proud To Be Part of Team SLIET

Together We Can Make a Difference

NCC and NSS units of SLIET are quite proactive and have been rendering valuable services by inculcating the habits of social and national responsibility among the students. Our NCC Cadets attended Annual Training Camp-116 at NCC Academy Rupnagar wherein the cadets from SLIET Longowal were designated as best cadets from senior wings and senior divisions. One of our cadets **Jayant Tiwari** has been selected for Officers' Training Academy Camp and successfully completed the Camp as a Second Senior amongst all the selected cadets.

SLIET, Longowal celebrated a cleanliness Programme “**Swachhta Pakhwara**” on the occasion of the birth anniversary of Mahatma Gandhi. The entire spirit of **Swachh Bharat Mission** was carried forward by a cleanliness drive throughout the campus by the Director, Deans, Faculty, Staff and Students. A pledge administered by the Director on this occasion solemnized the event.

Fit India Movement, International Yoga Day, Cycle Rally and Tree Plantation Drives have also been organized by the Institute in order to promote hale and hearty, stress free and eco-friendly life. A "**No Vehicle Day**" is observed on every Friday to uphold a pollution free environment.

All these achievements and accomplishments speak volumes of the values, commitment and rootedness that we try to instil in our faculty, staff and students. We always teach our students to be at the frontier of societal challenges and groom them abundantly well so that they can apply their technical and soft skills to resolve humanities biggest problems.

My dear students, my word of advice for you, as you stand on the threshold of new vistas in your life, is that do not forget that engineering is the most humanitarian profession with huge responsibility. We are the architects of future innovation and development who would be sought for substantial growth in every field. So, be prepared and accountable for such a gigantic task. The future lies before you like a field of driven snow, be careful how you tread it, because your every step would be judged closely. Do not be discouraged by criticism, rather build upon it as a foundation for a promising future. Live your life in line with the educational philosophy of the Institute of the **Three Hs-Head for knowledge, Heart for community and Habit of lifelong learning.**

आज हम जिस उपलब्धि का उत्सव मना रहे हैं, वो महज एक शुरुआत है, नए अवसरों के प्रारंभ का, इससे भी बड़ी विजय और उपलब्धियां आपकी प्रतीक्षा कर रही हैं। याद रखिए कि ये सिर्फ एक पड़ाव भर है, असली चुनौती आपका बाहर इंतजार कर रही है।

- अपने लक्ष्य को सदैव ऊँचा रखें और तब तक मत रुकें जब तक आप इसे हासिल नहीं कर लें। उसको हासिल करने के लिए पूरी शिद्दत से जुट जाएँ और अपने मन में ये निश्चय कर लें कि जब तक मैं इस लक्ष्य को हासिल नहीं कर लेता तब तक मैं किसी के रोकने से भी नहीं रुकूँगा।
- जिंदगी में किसी से अपनी तुलना मत करें जैसे चांद और सूरज की तुलना किसी से नहीं की जा सकती क्यों कि यह अपने समय पर ही चमकते हैं।
- सफलता हासिल करने के रास्ते में सब से बड़ी चुनौतियाँ हैं— नकरात्मक विचारों और कार्यों से छुटकारा पाना, सकारात्मक सोच विकसित करना, और इसके साथ साथ असफलताओं के बाद भी उठ खड़े होकर आगे बढ़ने की भावना रखना।
- याद रखिए लाइफ में सफल होने का कोई शॉर्ट कट तरीका नहीं होता है। जितना कठिन संघर्ष होगा जीत उतनी ही शानदार होगी।
- पूर्ण मनोयोग से प्रयास करें, कर्म और ईश्वर पर भरोसा रखें।

मुश्किलों से भाग जाना आसान होता है,
हर पहलू जिंदगी का इम्तिहान होता है,
डरने वालों को मिलता नहीं कुछ जिंदगी में,
लड़ने वालों के कदमों में जहान होता है।

To conclude, I once again take this privilege to thank Honourable Chief Guest **Prof. Prem Vrat**, for very graciously accepting our invitation to be the Chief Guest and deliver the Convocation Address. We are grateful to **Shri Jagdish Rai Singal**, Chairman for his valuable presence and words of encouragement to pursue excellence. I wish to record my gratitude to distinguished guests and media persons for finding time to grace this occasion. I express my sincerest sense of appreciation to our faculty, staff and students for their ever willing cooperation in furthering the progress of the Institute. Last but not the least, I thank **Prof. Ajat Shatru Arora**, Dean Academics and his dedicated team for the successful organization of this event.

धन्यवाद

जय हिंद, जय भारत!

Presidential Address by Shri Jagdish Rai Singal, Chairman BOM

Distinguished Chief Guest of the day, **Prof. Prem Vrat**, Vice-Chancellor, The NorthCap University, Gurugram and Ex-Director, IIT Roorkee,

Prof. Shailendra Jain, Director, Sant Longowal Institute of Engineering and Technology, Longowal,

Members of the Board of Governors,

Faculty and Staff Members of the Institute,

Invited Dignitaries, Guests,

Members of the Press and Electronic Media,

Most importantly Graduating Students and their Families,

Ladies and Gentlemen,

I am delighted to join Prof. Shailendra Jain in extending a warm and cordial welcome to you all. Graduation is a time of celebration and triumph and marks the end of one phase and beginning of the next phase. It is indeed a very proud moment for the graduates, parents and teachers who have all played their part in the end result. Students have worked hard with focus, determination and discipline. The teachers, under the dynamic leadership of the Director, have done their utmost to help students in achieving excellent results. Parents also deserve our special applaud because of the many sacrifices they make in order to provide an enabling environment. Their desire to provide a better life to their wards than what they had, has brought the students to where they are today.

Dear Graduates, in honoring you today, we are also honoring your parents, and of course, your teachers, who gave you one of the most precious gifts of knowledge. Now, you are going to enter a new chapter of your life in the exciting world which is full of challenges and opportunities. Human beings are no longer rewarded for being submissive devices. Instead, the world is open to the work of passionate individuals, intent on carving their own paths. The Institute has trained you well on the academic front. Now, it becomes your duty to strive for the welfare of the Nation. Simply trying for that will not move the nation forward, you must strive to excel in everything you do. Your journey at this celebrated Institute might have concluded but your academic journey is not over yet. The Institute has given you a lot, now it is your turn to showcase the world that you are, indeed, worthy of the degrees you will receive today.

With the emerging trends in technology, the world economy is experiencing extraordinary changes. The so-called shelf life of engineers and technocrats is becoming shorter each year

and to get employment and remain employed in this competitive world is becoming tedious day by day. So, it is important to keep abreast of the constant changes occurring in business, industry and the economy. Industry is another name for value addition. Value addition comes ultimately out of the quality of our young generation. There is a significant relationship between education and industry. Today's market place is extremely competitive and dynamic. To have newer products with efficient designs and improvised quality has become the need of the hour. All these things can be ensured by providing quality manpower who is equipped with latest knowledge and updated skills.

The reality is that India's growth in future will depend upon its ability to make available the most recent and useful knowledge to our young population. We, as responsible citizens of this country, have to make strenuous efforts for improving the standards of our higher education so that we can remove the gaps between the education-industry expectations. I am sure that your alma mater has sufficed you with the requisite knowledge so that you can keep up with the immense competition and the challenges you are going to confront in the real world.

My dear friends, today is an important milestone in your life wherein you are going to culminate your journey at this campus in the form of convocation ceremony. But remember that this journey is not going to end until you feel fully confident of meeting the uncertainties and challenges of life's laboratory and learn to deal with success and failures with a positive attitude.

Engineering is a very creative and inventive field and it serves humanity in numerous ways. So, you have a very heavy social responsibility as future citizens which you cannot shirk from. You will have to utilize your knowledge and expertise in contributing substantially to your roots, society, institutions that brought you up and the State and the Nation at large. Nothing changes in the world by mere speeches and slogans. Evolution is the outcome of performance which leads to recognition. You will be recognized as first class engineers only if you learn to translate your aspirations into actions. Therefore, my friends tighten up your seat belts and be prepared to achieve your targets with patience and perseverance.

Before I sign off, it is my word of advice for my young friends that be honest in all your dealings, strive not to achieve success at the cost of others hard work, be compassionate and humane, and always acknowledge the contributions of the hands that helped you. Be a proud torchbearer of SLIET, Longowal wherever you go and bring laurels to your parent Institute.

Once again, I take this opportunity of wishing all the graduates the very best in their future endeavors and congratulate the Institute for keeping up the excellent work in shaping the future generation for the upliftment of India.

May God bless you all.

Jai Hind!

Convocation Address by Prof. Prem Vrat (Chief Guest)

Distinguished **Sh. Jagdish Rai Singal**, Chairman, Board of Management, SLIET,

Dr. Shailendra Jain, Director, SLIET, Longowal,

Members of the Board of Governors,

All the graduating students and their family members,

Faculty and staff of the Institute, all invited dignitaries, ladies and gentlemen,

I wish to express my sincere thanks to the Chairman and the Director of the Institute for extending a cordial invitation to participate in this joyous occasion and share my thoughts with you. A convocation is a solemn occasion as it marks the realization of dreams, commitments, innovation, and hard work of management, faculty and students. I am indeed very pleased to witness that many young boys and girls are receiving their degrees and awards today. I wish to congratulate all of them for the successful completion of their academic programs at Sant Longowal Institute of Engineering and Technology.

My young friends, today is a significant occasion in your life because at this juncture you are commencing your journey of translating your education to the benefit of the world. It is an important milestone in your life as from now onwards you will be placed in the hands of the society for its development, enrichment and well being. It is time to remind you that you are very fortunate to be where you are and for that you should be grateful to your teachers, friends and especially your families who have been with you through thick and thin.

Ladies and gentlemen, since Independence, we have made significant progress in the field of higher education. It is true that a large and populous country like ours had to surmount enormous challenges of meeting the aspirations of vast majority of young people born in digital age eager to enter into the fold of higher education. Despite constraints of socio-economic diversity, regional disparities and resource constraints, we have been focused on our higher education system. Because of our affirmative actions, we have succeeded to a large extent in making our higher education most inclusive while ensuring equitable access to all those who have the merit and inclination. These developments notwithstanding, our performance still leaves much to be desired on the count of access, equity and quality. Propensity in people to seek higher education is not only to get a degree but also to become equipped to access opportunities, to improve knowledge, to hone up skills, to become employable and to be able to contribute towards the social and economic development of the country. It is, therefore, imminent for higher educational institutions to have a system that emphasizes critical thinking and applies themselves to find solutions to the socio-economic developmental needs of the society.

It is an acknowledged and accomplished fact that technological growth in the past few decades has been prodigious and steep. Technology and globalization have turned countries into knowledge-driven economies. They are radically accelerating the pace of change in the world and raising the long-term risks. Success in knowledge-driven and innovation-driven world order depends largely on the capabilities of the people, and higher education, especially engineering education, is the key to building those requisite capabilities. Technical education institutes have also witnessed a dire need to develop human resources required to cater to the multifaceted needs of the industry. Many new areas have already been surveyed but numerous new vistas are yet to be explored. In such a scenario, the institutes like yours have a significant role to play.

Your Institute has done phenomenally well in creating a large infrastructure to disseminate engineering education to a number of aspirants of every state year after year. The campus is catering to the next-generation of engineers by facilitating them with quality education and state-of-the-art infrastructure. It has distinguished itself as a pre-eminent institution for technological study. Dear students, it is your hard work, devotion to quality, dedication of your teachers and staff, and vision of your management, which is responsible for this notable achievement. It gives me great pleasure to acknowledge the dynamic leadership of Dr. Shailendra Jain, Director of this Institute. I am quite confident that with world class facilities provided to you all here at the campus, the devotion of your teachers under the mentorship of the meticulous director, the Institute will be reckoned with more laurels in the coming years.

My dear young graduates, please remember that the pursuit of knowledge does not end with the acquisition of a degree. Indeed, this marks the beginning of your new journey to translate your knowledge to the benefit of the world. Your education should not only help you earn your bread and butter but should be the one that makes your life valuable. So, it is your duty to choose the kind of education that will lead to wholesome development.

You should not only be consumed by modern life styles but should also keep the goodness and fitness of traditional values. Being the inheritors of a society which blossomed up with great values for life and a deep concern for human development, you should intensely aspire for deepening and broadening of your knowledge. Learn to experience the power of collective team work and always be guided by higher values which you believe in. Remember, that noble values of caring and sharing, of service and sacrifice, have kept our society away from dangers of extinction and made it vibrant at all times. It's not the money alone by which you are going to earn respect. It is always the knowledge combined with human values that will make you a better person. Your values will be the security that will help you to earn respect wherever you go. As Swami Vivekananda said, "True guidance is like a small torch in a dark forest, it doesn't show everything once. But gives enough light for the next step to be safe. Never be weak, you must be strong; You have infinite strength within you. You are the creator of your own destiny."

To be successful, you have to embrace the universal values of discipline, openness to new ideas, honesty, courtesy, fairness, accountability, respect for other cultures and a focus on excellence. Today, we are living in a world that values excellence. The world is changing at a very rapid pace. Every day is different than the previous one. If you are prepared for today, you may be irrelevant tomorrow if you do not update yourself and prepare for the future. That is what is happening in every sector whether industry or education. Industry is the one that demands frequent changes because technology is bringing in newer products, newer practices and newer business models like never before and education has the foremost responsibility of preparing us all for such flux of change.

So, bringing perfection in every moment of life and taking a challenge open-heartedly should be the way of life. It was rightly said once by Vince Lombardi that perfection is not attainable, but if we chase perfection we can catch excellence. And the best thing about perfection is performance and not the end result. I have seen many students who simply aspire to get a white-collar job which is highly paid. They start working for that and sometimes forget about what is right and what is wrong. To me, one should come to an institution for building a career and not chasing money. You should set the end results as the performance goals and leave the rest to the destiny.

Dear friends, this is my word of advice to all of you, who are going to take their initial steps in their professional lives, that learn to recognize the opportunity before it comes and prepare yourself accordingly. When the opportunity knocks at your door, use it well because the world has a very nice way of rewarding people who are wise but it is equally hostile in punishing people who miss golden chances in life. With this, I would also suggest you to take calculative risks in life because these risks reward you in surprising ways. Do not waste your talent, for it dies if not utilized efficiently.

This institution has ignited you with a certain ambition in life. Chase it, pursue it and make the best out of it. I wish you all realize your potential fully and make this world a better place for all of us. Once again I congratulate you and your parents on this memorable day and wish you the very best in work and life. My best wishes to you all for a purposeful, productive, happy, healthy, value based and worthwhile life.

Jai Hind!

LIST OF PH.D STUDENTS FOR THE AWARD OF DEGREE

S.No.	Details	Photo
1	<p>ABHINANDAN PCH 1106 Synthesis Characterization and Application of Heterostructured Metal Oxide Nanomaterials DR. DHIRAJ SUD 20.04.2019</p>	
2	<p>AJAY SHARMA PCH 1201 Isolation and Characterization of Major Compounds from Nepeta Leucophylla and Evaluation of their Biological Potential DR. DAMANJIT SINGH 25.06.2019</p>	
3	<p>ROHINI PCH 1202 Molecular Design and Studies of Some Bioinspired Compounds DR. B.K. KANUNGO 05.07.2019</p>	
4	<p>SANDEEP KUMAR TRIPATHI PCE 1502 Study on Ecf Bleaching of Wheat Straw Pulp Using Ozone DR. H.R. GHATAK-I, DR. N.K. BHARDWAJ, ACIRD, Yamuna Nagar-II 13.12.2019</p>	
5	<p>GURJINDER KAUR PCS 1004 Prevention of Malicious Attacks on Adhoc and Wireless Sensor Networks DR. V.K. JAIN-I, DR. YOGESH CHHABA-II 20.05.2019</p>	
6	<p>GURINDER PAL SINGH PEI 1005 Development of Solar-biogas Model for Generation of Energy DR. SANJAY MARWAHA, Admn. Supervisor DR. AMANPREET SINGH, PTU, Jalandhar-II 03.08.2019</p>	

7	<p>SATYAJIT SEN PURKAYASTHA PEI 1102 Developing a Interpretable Brain Computer Interface with Improved Information Transfer Rate DR. V.K. JAIN, PROFESSOR, SLIET – Supervisor-I DR. H.K. SARDANA, Chief Scientist, Deptt. of GSID, CSIO, Chandigarh Supervisor-II 18.12.2019</p>	
8	<p>SUKHJIT SINGH PEI 1004 Development of Novel Algorithm for Optimization of Quality Parameters in Steganography and Watermarking DR. V.K. JAIN, Professor-Supervisor DR. AMANPREET SINGH, PTU, Co-Supervisor 04.02.2020</p>	
9	<p>JATINDER SINGH PEI 1101 Profit Based Unit Commitment Using Memetic Algorithm DR. J. S. DHILLON 15.01.2020</p>	
10	<p>MANOJ KUMAR PEI 1110 Analysis, Design and Development of High Frequency Converter Based Power Factor Controller for Welding Application DR. SANJIV SINGH 28.02.2020</p>	
11	<p>JASPREET SINGH PEI 1112 Impact Analysis of Power Quality Problems of Transformers DR. SANJIV SINGH-I DR. AMANPREET SINGH, PTU –II 29.02.2020</p>	
12	<p>BALJINDER KAUR PEC 1506 Design and Optimization of Electronically Steerable Patch Antenna Array DR. ANUPMA MARWAHA 15.01.2020</p>	

<p>13</p>	<p>CANDY GOYAL PEC 1204 Design and Analysis of Nano Scale Arithmetic Circuits for Low Power VLSI Design DR. J.S. UBHI, Supervisor DR. BALWINDER RAI, NITTR, Chd, Co-Supervisor 11.02.2020</p>	
<p>14</p>	<p>SUHEELA BHAT PFE 1306 Studies on Processing of Bottle Gourd (<i>Lagenaria Siceraria</i>) DR. H. SHARMA-I DR. CHARANJIV SINGH-II 11.03.2019</p>	
<p>15</p>	<p>MUDASIR AHMAD MALIK PFE 1305 Physical Modification of Protein Isolate Extracted from Sunflower (<i>Helianthus Annuus</i>) Meal DR. CHARANJIV SINGH-I DR. H.K. SHARMA-II 10.07.2019</p>	
<p>16</p>	<p>POONAM PFE 1215 Characterization and Utilization of Sand Pear (<i>Pyrus Pyrifolia L.</i>) for the Development of Candy DR. P. KUMAR 16.08.2019</p>	
<p>17</p>	<p>NARENDER KUMAR PFE 1202 Studies on Isolation, Modification, Characterization and Utilization of Starch from Amaranth (<i>Amaranthus Spp.</i>) Cultivars DR. SUKCHARAN SINGH-I DR. D.C. SAXENA-II 17.06.2019</p>	
<p>18</p>	<p>SANDEEP PFE 1222 Studies on Ultrasonication Processing of Different Honey Types and Marker Based Identification of their Floral Sources DR. M.B. BERA 24.02.2020</p>	

<p>19</p>	<p>RUPINDER KAUR PFE 1308 Production, Purification and Immobilization of Fungal B-Galactosidase by Solid State Fermentation and its use in the Synthesis of Galactooligosaccharides DR. P.S. PANESAR-I, DR. R.S. SINGH, Pbi University Patiala-II 26.02.2020</p>	
<p>20</p>	<p>NAVDEEP JAIN PED 1007 A Study of Perceptions of Consumers in Buying Electronic Products towards Environmental Friendly Supply Chain DR. SANJEEV BANSAL 23.08.2019</p>	
<p>21</p>	<p>RAJEEP KUMAR TIRKEY PED 1202 Shaping Identity: A Study of African American Young Adult Fiction with Special Reference to Selected Novels of Walter Dean Myers, Mildred D. Taylor and Angela Johnson DR. JAPPREET KAUR BHANGU 16.08.2019</p>	
<p>22</p>	<p>AMITA RANI PED 1006 A Comparative Study of Selected Hindi, Punjabi and English Fiction on the Theme of Partition DR. MAHESH KUMAR 04.02.2020</p>	
<p>23</p>	<p>AVTAR CHAND PMA 1301 Certain Investigation on Dark Energy Cosmological Models in Alternative Theories of Gravitation DR. R.K. MISHRA-I, DR. J.R. SHARMA-II 28.03.2019</p>	
<p>24</p>	<p>RAJINDER PAL PMA 1102 On Matrix Inequalities DR. MANDEEP SINGH-I DR. J. S. AUJLA-II 10.08.2019</p>	

<p>25</p>	<p>DEEPAK KUMAR PMA 1502 Development and Analysis of Some Efficient Iterative 3 Methods for Solving Nonlinear Equations DR. J.R. SHARMA 02.03.2020</p>	
<p>26</p>	<p>HARJEET SINGH MANN PME 1010 Modeling and Simulation of Power Extraction from Chimney Flue Gases DR. P. K. SINGH 16.07.2019</p>	
<p>27</p>	<p>BHUPINDER SINGH PME 1008 Some Studies on Friction Stir Welding of Magnesium Alloy DR. KULWANT SINGH-I DR. V. SAHNI-II 16.08.2019</p>	
<p>28</p>	<p>TEJINDER PAL SINGH PME 1022 Some Studies on the Abrasive Wear Behavior of Cryo Treated Rotavator Tine DR. JAGTAR SINGH-I DR. KULWANT SINGH-II 13.03.2019</p>	
<p>29</p>	<p>HARISH KUMAR GARG PME 1005 Experimental Investigation on Machinability OF Al/(SiC + Grp)-MMCs DR. RAJESH KUMAR-I, DR. A. MANNA-II 20.09.2019</p>	
<p>30</p>	<p>RAKESH KUMAR PME 1106 Experimental Investigations on Development of Aluminium Alloy Comprising of Copper and Magnesium DR. V. SAHNI 05.12.2019</p>	

<p>31</p>	<p>ANIL KUMAR PME 1401 Experimental Investigations on the Role of Cryogenic Treatment for Improving the Engineering Performance of Titanium Alloy DR. JAGTAR SINGH-I DR. VISHAL S. SHARMA-II 16.12.2019</p>	
<p>32</p>	<p>RAHUL DEV GUPTA PME 1104 Studies on Development of Micro-channels on a Ductile Material Using Ultrasonic Micro-milling DR. PARDEEP GUPTA 20.01.2020</p>	
<p>33</p>	<p>ASHWANI VERMA PME 1103 Studies on Prediction of Damage in Cup Drawing Process using Multiscale Finite Element Method DR. R. K. SAXENA 24.01.2020</p>	
<p>34</p>	<p>ANIL KUMAR PPH 1102 Synthesis of Some Titanium Complexes and Study of their Physical and Structural Properties DR. S. S. GHUMMAN 13.08.2019</p>	
<p>35</p>	<p>MERRY GUPTA PPH 1301 Study of Ion Beam Induced Effects on Zirconolite Ceramic Compositions DR. S. S. GHUMMAN 17.12.2019</p>
