

Sant Longowal Institute of Engineering & Technology
(Deemed to be University, Established by Government of India)
Longowal, District- Sangrur, Punjab- 148 106
Office of Dean (Research & Consultancy)

Ref. No. SLIET/Dean(R&C)/2023/124

Dated: 01/06/2023

NOTICE

In order to enhance the interdisciplinary research activities in the institute, 05 seats are available under this category for full time scholar with Institute fellowship, in addition to the seats allocated to the different departments. The faculty member, who want to pursue a research under this category are required to submit a **Research Project proposal of interdisciplinary nature** (Thrust area of research/ Focused area of research in the departments), duly recommended by DRC of the department, in collaboration with the faculty member from other department. Research Project Proposal in the following format are required to be submitted in the **Office of Dean (R&C) on or before 22.06.2023**.

- Research
- Project Title
- Research Project summary (Including brief Literature survey)
- Objectives of Research project
- Expected outcome of the Research proposal
- Consumables required, Equipment required, Contingency etc.
- Future Scope of Research Proposal

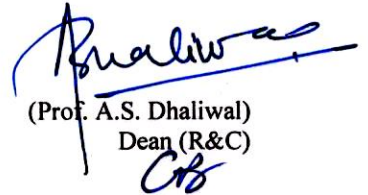

The research proposal must also include the following details:

- Thrust area/focused area of research are required to be identified.
- Availability of equipment/items in the department for execution of the research proposals submitted by the faculty.
- Certification by the department that the facility required for execution of the research proposals is available in the department or in the allied departments.
- Possibility of meeting out the recurring expenditure from the funds allocated to the department (recurring/non-recurring), if any.
- Research Scholar with institute Fellowship and the total number of scholar (Fulltime/Part-time/etc.) working under individual faculty members.

In addition, in case the seats remain vacant out of the seats allocated to the departments as full-time scholar with institute fellowship, the candidate opting for interdisciplinary research can be admitted against the vacant seats. In this case, the candidate shall have one Supervisor from the department from where the vacant seat is provided.

The DRC shall scrutinize the research proposals received at department level before forwarding it to the Dean (R&C). While allocating the scholars at department level, the preference may be given to the faculty member having no research student with institute fellowship at present.

The research proposals shall be scrutinized by the committee duly constituted by the Director. Further, the selection committee of the concerned department shall give its recommendations regarding the selection of the candidates under this category.

(Prof. A.S. Dhaliwal)
Dean (R&C)
