Seminar on Cyber Law, Cyber Crime, and Skill Development Held at Baba Farid Memorial Education and Welfare Society Skill Development Center

Date: May 03, 2022

Venue: Baba Farid Memorial Education and Welfare Society Skill Development Center, Longowal

A Cyber Law, Cyber Crime, and Skill Development seminar was successfully conducted under the *Unnat Bharat Abhiyan* at the **Baba Farid Memorial Education and Welfare Society Skill Development Center**, Longowal. Dr. Pardeep Kumar Jain led the session and delivered an insightful and motivating address to the participants.

Dr. Jain emphasized the **importance of skill development**, explaining how skills can be effectively **utilized and monetized** in today's digital and professional world. He also raised awareness about the rising threats of **cybercrime** and the **legal frameworks** available under **cyber law** to combat such issues.

The seminar was attended by **more than 60 women**, all eager to learn and engage with the topic. Currently, over **150 women from adopted villages** are receiving training at the center. These skill development programs include **tailoring and stitching, computer applications**, and **preparation for national and state-level competitive examinations**.

A **Q&A session** was also conducted at the end of the seminar to address the **queries and concerns of the participants**, providing them with further clarity and guidance on the topics discussed.

Dr. Jain also took the opportunity to **encourage and motivate** the students who are actively preparing for competitive exams, inspiring them to pursue their goals with dedication and confidence.

The seminar was part of ongoing efforts to **empower rural women through education and skill development**, ensuring they have the tools and knowledge to thrive in a rapidly evolving world.
