### Call for motivated team of Graphic Designers and Video Content Creators for SET-2026

In view of the upcoming Admission Session 2026, it is proposed to invite an active and motivated team of Graphic Designers and Video Content Creators from among SLIET students (ICD/UG/PG) to support the admission awareness campaign of the institute.

The objective of this initiative is to create engaging visual and digital content for effective outreach and to enhance admission awareness among all prospective stakeholders, including students, parents, and the general-public.

Interested participants are invited to fill out the prescribed Google Form (<https://forms.gle/BTbgHyvpw9cJxnvE9>) to express their willingness to contribute.

#### Benefits to selected participants:

1. Work directly with the SET Admission Team.
2. Gain real-world experience of counselling and outreach.
3. Win exciting awards/certificates.
4. Make a real impact on the college admission process.
