

## One-Day Workshop

### On the Observance of Safer Internet Day 2026

Organized by

Department of Computer Science & Engineering

Sant Longowal Institute of Engineering and Technology (SLIET), Longowal

---

#### Theme

🌐 “Smart Tech, Safe Choices – Exploring the Safe and Responsible Use of AI”

#### About the Workshop

In the digital age, the rapid growth of Artificial Intelligence and Internet technologies has transformed the way we learn, work, and communicate. This one-day workshop is organized to commemorate Safer Internet Day 2026, with a focus on promoting online safety, cyber hygiene, ethical AI usage, and responsible digital behavior.

The workshop aims to sensitize participants about emerging cyber threats, data privacy concerns, and best practices for the safe and responsible use of AI and Internet technologies.

#### Objectives

- Create awareness about safe and responsible use of AI
- Promote cyber hygiene and digital safety practices
- Understand ethical, legal, and social implications of AI
- Encourage responsible online behavior among students and faculty

#### Date & Time

📅 10th February 2026

🕒 09:30 AM – 11:30 AM

#### Target Audience

- UG, PG, ICD & PhD Students
- Faculty Members
- Staff Members

## Program Schedule

🕒 09:30 AM – 10:00 AM

◆ *Inaugural Function*

🕒 10:00 AM – 11:30 AM

◆ *Smart Tech, Safe Choices: Navigating AI and the Internet Responsibly*

## Key Takeaways

- ✓ Awareness of cyber threats and online risks
- ✓ Best practices for AI ethics and responsible usage
- ✓ Practical insights into safe digital engagement
