Notice

As previously informed through email, all passed out students upto 2018 batch were advised that their institute email accounts would be deactivated shortly and were instructed to back up or transfer their important data to their personal email accounts or local storage.

A reminder regarding this matter was also sent through institute email, with the deadline having passed on Friday, 9 October 2026.

Accordingly, the institute email accounts of all students will now be deactivated on dated 26/10/2026. Students are advised to ensure that they have retrieved and securely backed up all their important data, as access to these accounts will no longer be available after deactivation.
