

संत लौंगोवाल अभियांत्रिकी एवं प्रौद्योगिकी संस्थान

(शिक्षा मंत्रालय, भारत सरकार के अधीन सम विश्वविद्यालय)

लौंगोवाल, जिला-संगरूर, पंजाब - 148106

Sant Longowal Institute of Engineering & Technology

(Deemed-to-be-University under Ministry of Education, Government of India)

Longowal, District Sangrur, Punjab-148106

संदर्भ सं/Ref. No. SLIET/SET-26/179

**NOTIFICATION**

दिनांक /Date: 27/07/26

The Institute shall conduct a spot round of admission to B.E.(LEET), Integrated M.Tech.(LEET), Integrated M.Sc., M.Sc. and M.Tech. programmes. It will be conducted through online mode. The interested candidates may register themselves on www.slietexam.co.in and pay the requisite fee. The seats will be allotted on "first come first served" basis. The registration will be open from 27.07.2026 to 10.08.2026 and candidates have to physically report with all original documents at SET Office for document verification. The Institute fee shall be refunded to the candidates who found ineligible for admission to respective programmes. The Registration fees and Counselling fees will not be refunded. Further, if any candidate fills the deficiency declaration to submit the documents by September 30, 2026 (as per AICTE norms), the refund and other conditions will be applicable as per AICTE norms.

**Entry qualifications:**

|                                                             |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
|-------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| B.E.(LEET)/Integrated M.Tech.(LEET)                         | Diploma in relevant branch of Engineering with 55% marks or CGPA 5.5 on 10-point scale (50% or CGPA 5.0 on a 10-point scale in case of candidates belonging to reserved category, SC/ST/OBC (NCL)/PWD)                                                                                                                                                                                                                                                                                                                                                                             |
| Integrated M.Sc. programmes                                 | 10+2 (with Physics, Chemistry, Mathematics/Biology) with 60% marks for Gen/EWS/OBC category & 55% for SC/ST/PWD                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| M.Sc. programmes (Physics, Chemistry & Mathematics)         | B.Sc. (Must have studied the stream subject in all the semesters/years) with 55% marks for Gen/EWS/OBC category & 50% for SC/ST/PWD                                                                                                                                                                                                                                                                                                                                                                                                                                                |
| M.Tech. Programme (CSE, ECE, VLSI, ICE, CE, FET, MSE & WLF) | B.Tech. (in relevant stream) with 60% marks for Gen/EWS/OBC category & 55% for SC/ST/PWD                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| MBA                                                         | A Bachelor's Degree, B.Tech., B.E., B.Sc., B.Com, B.B.A. or Graduation with Economics and Mathematics from any recognized university with 55% marks or CGPA 5.5 on 10-point scale (50% or CGPA 5.0 on a 10-point scale in case of candidates belonging to reserved category, SC/ST/OBC (NCL)/PWD).<br><br>OR<br>A Master's degree in any discipline of any recognized university with 55% or more marks (50% for candidates belonging to SC/ST/OBC(NCL)/PWD).<br><b>Note: Group Discussion and Interview will be held on 10<sup>th</sup> August, 2026 in M &amp; H Department.</b> |
